WENDALL H. PROUTY . . . . . Term Expires 1963

## REPORT OF THE BOARD OF SELECTMEN

As a result of the Board of Selectmen's presentation to the Annual Town Meeting of March 6, 1961 of Article 24, a Town Government Study Committee was voted; as a result of the Committee's activities of research and studies, the town voted, at a Special Town Meeting held on September 24, 1962, to authorize the Board of Selectmen to employ an Office Manager in accordance with Article 3 "Motion made and seconded to instruct the Selectmen to appoint an Office Manager, in no sense charged with the responsibilities of an Executive Secretary, with formal training and general office supervisory experience with an overall staff appropriation to organize and supervise the general administration of the town."

In accordance with the town's vote the Selectmen did appoint Mr. Harry L. Chase, Jr. as Town Office Manager to serve until December 31, 1963, in addition to his duties as appointed Town Accountant; which term expires March 31, 1964. A salary of \$8,500.00 was set by the Selectmen to cover both the Office Manager's position and that of Town Accountant.

Last year saw the inception of the new Building Code and the appointment of Charles E. White as Building Inspector, and William T. Stohn as Alternate Inspector, which action relieved the Board of Selectmen of the administrative duties in connection with the issuance of Building Permits.

A volunteer committee composed of Frank Aicardi, John McCarvell, Earl Merrifield and Richard Norton organized themselves to carry out the project of house-numbering on all of the Streets of Norwell.

The year 1963 was a particularly busy year, as far as Town Meetings and Elections were concerned, and of course the attendant expense of holding these Meetings and Elections was unusually high. There were four sessions of the Annual Town Meeting, a Special Town Meeting on May 21 (this was a petitioned meeting) with adjourned sessions held on May 22, and later on September 24. Following the completion of the May 21 Meeting on September 24, the Special Town Meeting of September 24 opened, at 10:00 P.M. In addition to the Town Meetings, the Annual Town Elections were held on Saturday, March 17; the State Primaries on September 18 and the State Elections on November 6.

The problem of disposition of the United States Naval Ammunition Depot land and facilities has been and is a matter of continuing

negotiation. The Norwell Board of Selectmen has supported the proposal of the State Department of Natural Resources to keep this entire area, which lies in four towns, in its natural condition and make it available for fish and game development with State support.

The reconstructed Union Bridge was reopened to traffic on June 25, 1962. The bridge became operable for river traffic on December 12, 1962. The Selectmen voted to restrict the approach to the Bridge to no parking and to limit the parking in the Town Landing area to Norwell residents only.

The town continues to face an unsolved problem in connection with town garage facilities, and the Highway Surveyor continues to operate with the handicap of having his material and equipment scattered in various locations.

#### Financial:

The Thirty-fourth accounting of the Florence M. Cushing Memorial Fund for the year ending August, 1962, was reported by the Trustees under date of September 25, 1962. The Report showed the principal amount of \$47,071.15. The income account for the year showed a balance in the amount of \$5,426.60. The Trustees remitted to the town the amount of \$2,940.00, which can be used to take care of unusual maintenance expenses for the Cushing Memorial Town Hall. The total amount available for the Selectmen to administer as of the First of January, 1963 is \$8,546.41.

The Free Cash available to the town as of January 1, 1963 is \$234,388.15.

#### Town Hall and Town Hall Annex:

The Town Hall Annex continues to be an expensive maintenance item and there is still considerable repair work and painting to be done.

The replacement of draperies and stage curtain has been completed in the auditorium, and this item was paid for from the Florence M. Cushing Memorial Maintenance Fund.

Loring Wadsworth has resigned as part-time Custodian. No replacement has been appointed as of December 31, 1962.

The crowded condition still exists in the Town Hall, as it has existed for the past few years and the Permanent Building and Maintenance Committee has this problem for study. They will probably make recommendations in the very near future.

**Roads :**

The Southeast Expressway route through Norwell is still under construction. The highway has progressed to the point that the bridge which goes over the Expressway on River Street is passable, with a temporary road surface on it. The access roads from Pine Street and Stetson Road have been made available. Pine Street has been cut and is now in two sections and will be permanently. Shortly, Stetson Road will be in the same condition.

The Chapter 90 Program is continuing, but has been delayed in 1962 due to the necessity for a new layout of the west end of Main Street from Assinippi to Norwell Center. It is expected that early in 1963 drainage will be installed at the Assinippi end of the construction and will be financed by the State, County and Town, on the usual basis of 50% by the State, 25% each by the County and Town.

The Board of Selectmen has continued to urge both the State and the County to authorize a Special Chapter 90 Project at the Town Lines of Hanover and Norwell where Tiffany Road meets East Street to construct a new box culvert at this very dangerous brook crossing.

The Board of Selectmen has continued its program of increasing the number of street lights in the town, in order to improve the dangerous, dark areas on the travelled ways in the town.

The town roads are still deteriorating faster than the town is financially, under its present appropriation, able to repair, even temporarily.

**Appointments and Committees :**

The Town Clerk's Report lists all of the appointments that have been made by the Board of Selectmen and we refer you to this Report.

**General :**

In accordance with the vote of the town on September 24, 1962, Article 2, as follows : "Motion made, seconded and voted to instruct the Selectmen to introduce the use of a multiple standardized petition form to initiate and process all complaints, inquiries and service requests directed to the various boards, committees and town officials and to establish the necessary procedures for prompt official actions and maintenance of records," the Board of Selectmen, through its Office Manager, Harry L. Chase, Jr., has instituted the system of written complaints, etc., coming into the Town Hall in connection with town business.

In accordance with the vote of the town on September 24, 1962, under Article 1, as follows: "It was moved, seconded and voted to instruct the Selectmen to send a general letter to every voter describing the importance and duties of all appointed officials and including a form card to be returned by volunteers indicating their preference of service," the Selectmen, through the Office Manager, has issued a brochure outlining in brief the duties of all the appointed town officials; and inviting the residents of the town to reply to the Board of Selectmen on a return postal card, indicating their preference to serve the town in some specific capacity.

The problem of installing water services across the streets has been resolved by the Highway Surveyor doing the trenching and backfilling with the new equipment which was purchased this year for the purpose of doing not only the highway work, but the excavation and backfilling of other departments, wherever possible. It is the hope of the Board of Selectmen that this will permanently resolve this problem so that the travelling public will not be subjected to the inconvenience of improperly trenched and backfilled water service under-the-road connections.

The approach to the Town Hall has been materially improved by the Highway Surveyor, who installed a bituminous paved walkway from the Fire House to Central Street.

G. HERBERT REPASS,  
Chairman

EARLE F. ALLEN,  
Clerk

CHARLES H. WHITING

Board of Selectmen

**TOWN OF NORWELL**

Commonwealth of Massachusetts

**WARRANT FOR ANNUAL TOWN MEETING**

Monday, March 12, 1962 at seven-thirty o'clock in the afternoon

At Senior High School

and Saturday, March 17, 1962 at 12 Noon

At the Center Elementary School

For the Election of Town Officials

Plymouth, ss.

To either of the Constables of the Town of Norwell, in said County of Plymouth and Commonwealth of Massachusetts.

**GREETINGS:**

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs to meet at the Senior High School in said Norwell, on Monday, the twelfth day of March 1962 at 7:30 p.m., then and there to act upon the following articles, to wit:

Article 1. To see if the Town will accept the reports of its officers and committees as printed in the Town Report, or act on anything relative thereto.

Article 2. To see what sums the Town will raise and appropriate or appropriate from available funds to pay Town debts, expenses and charges including debt and interest for the ensuing year and to fix the salary and compensation of all elective officers of the Town, effective from January 1, 1962, as provided by Section 108 of Chapter 41 of the General Laws, as amended, and to provide for a reserve fund, and raise and appropriate the same for the following: Moderator, Selectmen's Department, Town Meetings and Elections, Town Accountant, Treasurer, Town Collector, Assessors' Department, Town Counsel, Town Clerk, Registrations and Listings, Board

of Appeals, Planning Board, Development and Industrial Commission, Conservation Commission, Town Hall and Annex, Police Department, Dog Officer, Fire Department, Forest Fire Patrol, Civil Defense, Emergency Communications Center, Sealer of Weights and Measures, Tree Warden and Moth Superintendent, Moth Department, Dutch Elm Disease, Elm Tree Beetle, Tent Caterpillar, Tree Maintenance, Squares and Triangles, Mowing Bushes, Operation and Maintenance of Equipment, Pest Control, Tree Maintenance, Removal and Replacement, Roadside Brush Control, Wire Inspector, Gas Inspector, Board of Health, Inspector of Animals, School Nurse, School Dentist, Dental Hygienist, School Physician, Town Dump, Mosquito Control, Highway Surveyor, Town Account, Chapter 81, Chapter 90, Signs, Road Markings, Snow Removal and Sanding, Road Machinery Maintenance and Operation Account, Street Lights, Welfare, Public Welfare, Old Age Assistance, Aid to Dependent Children, Disability Assistance, Aid (All Categories), Administration and Expense, Veterans' Benefits, School Committee, School Department, Vocational Training, Practical Arts-Adults, Regional Vocational School District, Libraries, Water Commissioners, Water Department, Cemeteries, Maturing Debt and Interest, Anticipation of Revenue Loans, Aid to Agriculture, Workmen's Compensation, Plymouth County Retirement, Pensions and Annuities, Reserve Fund, Town Reports and Budgets, and Memorial Day, or act on anything relative thereto.

Article 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963, and to issue a note or notes therefor, payable within one year in accordance with General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for less than one year in accordance with General Laws, Chapter 44, Section 17, as amended, or act on anything relative thereto.

Article 4. To see if the Town will vote to appropriate the sum of \$14,025.00 or any other sum from available funds in anticipation of repayment by the Commonwealth of Massachusetts, for Chapter 81 work on the highways, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 5. To see if the Town will vote to appropriate the sum of \$8,000.00 or any other sum from available funds in anticipation of repayment by the Commonwealth of Massachusetts and the

County of Plymouth, for Chapter 90 work on West Main Street, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 6. To see if the Town will vote to appropriate the sum of \$14,250.00 or any other sum in anticipation of repayment by the Commonwealth of Massachusetts and the County of Plymouth and the sum of \$4,750.00 as the Town's share for Chapter 90 highway work on the Tiffany Road—East Street Bridge, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 7. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$945.00 for the purpose of hot topping the existing sidewalks at Norwell Center for a total distance of approximately one thousand three hundred and fifty feet, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 8. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,000.00 or any other sum to be added to the Town Highway Account for mix and place surface on Prouty Avenue for a distance of one thousand feet, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 9. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,310.00 or any other sum to be added to the Town Highway Account for mix and place surface on Duncan Drive for a distance of one thousand three hundred and ten feet, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 10. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,000.00 or any other sum to be added to the Town Highway Account for mix and place surface on River Street for a distance of one thousand feet, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 11. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$900.00 for the purpose of grading and resurfacing with tar Green Street for a distance of 1,200 feet from Pleasant Street, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 12. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$500.00 for the purpose of removing ledge in the center of Wilder Road at its junction with Grove Street, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 13. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$13,000.00 for the purchase of a four-wheel drive tractor loader, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 14. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$700.00 or any other sum for the purchase of a snow plow, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 15. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$2,000.00 to install a drainage line from the Grace Farrar Cole School on High Street to Hatch Pond, a distance of six hundred and fifty feet, or act on anything relative thereto.

Requested by the Highway Surveyor.

Article 16. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$5,000.00 or any other sum to be used by the Permanent Drainage Committee for the replacement of culverts, field engineering and other drainage work throughout the Town, or act on anything relative thereto.

Requested by the Permanent Drainage Committee.

Article 17. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$48,000.00 to install water mains of not less than six inches, but less than sixteen inches in diameter in Old Oaken Bucket Road from the end of the existing main at the junction of Norwell Avenue, Central Street and Old Oaken Bucket Road to the Scituate Town Line, or act on anything relative thereto.

Requested by: Ruth M. Murray, Douglas S. Mitchell, Mary

Crawford Leonard, Elizabeth S. Cox, Leonard J. Cox, Bruno Ilmonen, Eleanor Mitchell, Margaret E. Hatch, Dorothy J. Meehan, Earle M. Newton, Katharine H. Newton, Ray Miller, Margaret M. Miller, Winthrop R. Scudder, Ethel T. Dean, Susanne E. Tuttle, Harold E. Tuttle, Jr., Hortense Hatch, Eleanor Causer, Godfrey M. Birkhead, Jean M. Birkhead, Evelyn C. Seavey, William G. Seavey, Lyndon E. Pratt, and Anne Gray Pratt.

Article 18. To see if the Town will vote to appropriate the sum of \$27,000.00 to install water mains of not less than six inches, but less than sixteen inches in diameter in Norwell Avenue from the end of the existing main at the junction of Norwell Avenue, Old Oaken Bucket Road and Central Street to the junction of Norwell Avenue, Lincoln and Grove Streets and to meet such appropriation by appropriating a sum of \$3,654.28 from available funds from the remaining appropriation under the following articles :

Special Town Meeting

January 13, 1958

Article IV \$1,201.46

Annual Town Meeting

March 9, 1959

Article X \$2,452.82

and by raising and appropriating from the tax levy of 1962 the sum of \$23,345.72, or act on anything relative thereto.

Requested by the Board of Water Commissioners.

Article 19. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,000.00, said sum to be added to the Developing Well and Well Fields Account and to be spent to conduct tests on potential well or water source sites, or act on anything relative thereto.

Requested by the Board of Water Commissioners.

Article 20. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$5,960.00 for the purchase of a two ton truck, or better, for use by the Tree and Moth Departments, or act on anything relative thereto.

Requested by the Tree Warden and Moth Superintendent.

Article 21. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$2,100.00 or any other sum to purchase a new Police Department Cruiser to replace the present 1961 cruiser, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 22. To see if the Town will accept Section 22D of Chapter 40 of the General Laws relating to the towing of improperly parked vehicles from municipal public ways.

Requested by the Board of Selectmen.

Article 23. To see if the Town will vote to accept a portion of Brantwood Road as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 24. To see if the Town will vote to accept Beers Avenue as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 25. To see if the Town will vote to accept a portion of Ridge Hill Road as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 26. To see if the Town will vote to accept a portion of Millwood Circle as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 27. To see if the Town will vote to accept an alteration of the layout of a portion of Winter Street as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 28. To see if the Town will vote to accept an alteration of the layout of a portion of Prospect Street as laid out by the Selectmen in accordance with the description and plan presented

at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 29. To see if the Town will vote to extend the term of the present General School Building Committee one year from September 21, 1962 to September 21, 1963 to provide that the next required elementary facility shall be developed and completed by the present Committee, or act on anything relative thereto.

Requested by the General School Building Committee.

Article 30. To see if the Town will vote to discharge the present General School Building Committee upon the completion of the present High School thus relieving this Committee from the responsibility of initiating new elementary construction development not to be completed under its direction, or act on anything relative thereto.

Requested by the General School Building Committee.

Article 31. To see if the Town will vote to purchase or take by eminent domain for a Town Garage site the two parcels of land owned by Nellie L. Sparrell consisting of 1 1/2 acres with a twenty two foot frontage on Central Street and a parcel of 9 1/2 acres lying between Main Street and Mill Lane, excluding that portion currently under option to Sun Oil Company, and contiguous to the aforesaid 1 1/2 acres, and to raise and appropriate or appropriate from available funds the sum of \$5,850.00 for this purpose, or act on anything relative thereto.

Requested by the Planning Board.

Article 32. To see if the Town will vote to purchase or take by eminent domain a strip of land along the westerly border of land of Nellie L. Sparrell situated on the northerly side of Main Street in Norwell Center to provide access to the proposed Town Garage site and to raise and appropriate or appropriate from available funds the sum of \$5,000.00 for this purpose, or act on anything relative thereto.

Requested by the Planning Board.

Article 33. To see if the Town will vote to accept for highway purposes for a consideration of \$1.00 title to a parcel of land now owned by Nellie L. Sparrell and bounded as follows:

Southwesterly by Main Street twenty five ( 25 ) feet

Northwesterly by lands of Francis E. and Marjorie G. MacFarlane,  
three hundred ( 300 ) feet

Northeasterly by other land of seller, forty ( 40 ) feet  
Southeasterly by land of Sun Oil Company, three hundred ( 300 )  
feet, more or less.

Or act on anything relative thereto.

Requested by the Planning Board.

Article 34. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$5,000.00 for site development of the Nellie L. Sparrell land, said sum to be expended under the direction of the Highway Surveyor, or act on anything relative thereto.

Requested by the Planning Board.

Article 35. To see if the Town will vote to purchase or take by eminent domain for a Town Garage site a parcel of land 6.4 acres, more or less, owned by Robert J. and Walter J. Breen on the southerly side of Grove Street about one thousand feet westerly from Bowker Street and to raise and appropriate or appropriate from available funds the sum of \$3,500.00 for this purpose, or act on anything relative thereto.

Requested by the Planning Board.

Article 36. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,500.00 for site development of the Breen land, said sum to be expended under the direction of the Highway Surveyor, or act on anything relative thereto.

Requested by the Planning Board.

Article 37. To see if the Town will vote to instruct the General School Building Committee to bring in plans and specifications for a Town Garage at the next Special Town Meeting or not later than the next Annual Town Meeting and to raise and appropriate or appropriate from available funds the sum of \$1,000.00 for this purpose, or act on anything relative thereto.

Requested by the Planning Board.

Article 38. To see if the Town will vote to amend Article XIV of the revised By-Laws of the Town of Norwell as amended to read as printed in a pamphlet entitled "Building Code of Norwell—Commonwealth of Massachusetts" and of which copies accompany this warrant and are available at the Town Hall, the James Library, the William J. Leonard Memorial Library, or act on anything relative thereto.

Requested by the Building Code Committee.

Article 39. To see if the Town will vote to amend Article VI, Section 1 of the revised By-Laws of the Town of Norwell by adding thereto the Office of Inspector of Buildings, or act on anything relative thereto.

Requested by the Building Code Committee.

Article 40. To see if the Town will vote to amend the revised By-Laws of the Town of Norwell as amended by removing from Article VI, Electrical Installations, Paragraphs A, B, C and D and redesignating said paragraphs as Article XIV, Section XII, Paragraphs, A, B, C and D, or act on anything relative thereto.

Requested by the Building Code Committee.

Article 41. To see if the Town will vote to further amend Article VI of the revised By-Laws pertaining to Electrical Installations, Paragraph D, by removing therefrom the words "may be removed by the Selectmen for due cause" and substitute therefor the words "may at pleasure be removed by the Board of Selectmen," or act on anything relative thereto.

Requested by the Building Code Committee.

Article 42. To see if the Town will vote to amend Article XV of the revised By-Laws of the Town of Norwell by revoking and striking out in their entirety the present Title and Section 1 to 3 inclusive, or act on anything relative thereto.

Requested by the Building Code Committee.

Article 43. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,500.00 for remuneration and expenses of the Building Inspector, or act on anything relative thereto.

Requested by the Building Code Committee.

Article 44. To see if the Town will vote to amend its Zoning By-Laws as follows:

1. By amending Section III so that the first two paragraphs will read as follows:

The Town is hereby divided into seven classes of districts:

Residential Districts A, B and C

Business Districts A, B and C

Saltmarsh Conservation District

Residential and Business Districts are shown on "Zoning Map, Town of Norwell, September, 1959 as Revised August 18, 1960," which is filed in the Town Clerk's office and is made a part hereof.

2. By adding to Section III the following paragraph:

Saltmarsh Conservation District—The Saltmarsh Conservation District shall be the area along the North River from the River itself to the upland edge of the marsh as defined and shown on the 1915 Plan of the North River Authorized by Chapter 112, Resolves of 1914, William F. Williams, Chief Engineer, a copy of which is on file in the office of the Town Clerk and is made a part hereof.

3. By adding a new Section VIB as follows :  
Section VIB

A. In the Saltmarsh Conservation District no structure shall be erected except non-commercial docks, catwalks, piers, wharves or floats, nor may any area within said zone be filled, drained, dredged or excavated.

PROVIDED, however ;

B. The owner of any land located in this District, or his agent, may apply to the Zoning Board of Appeals for a special permit for the construction of any structure which would have been permitted on said land prior to the adoption of this Section VIB, or for filling, drainage, dredging or excavation. No permit shall be granted which will adversely affect the natural character of the area in which the land referred to in the application is located. No such permit shall be granted except after notice and hearing as is provided by law for the granting of variances. In addition, notice shall be given by registered mail to the Chairman of the Conservation Commission or his designated representative. The Conservation Commission shall file a report setting forth the opinion of the Conservation Commission as to whether or not the granting of a permit will be consistent with the natural character of the area and the aims and purposes of the Conservation Commission. If the Conservation Commission shall fail to file its report on or before the date set for the hearing on the permit, the Zoning Board of Appeals shall assume that the Conservation Commission has no objection to the granting of the permit, and the Conservation Commission shall have no standing to appear or be heard in any further proceedings relative to such permit.

Requested by the Conservation Commission.

Article 45. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$6,800 or any other sum to add to the Conservation Fund under the provisions of General Laws, Chapter 40, Section 5, Clause 51 and Section 8C, as amended, or act on anything relative thereto.

Requested by the Conservation Commission.

Article 46. To see if the Town will vote to amend its Zoning By-Law by removing from Residential Districts A and B the following described area and establishing same as Business District C-1, or act on anything relative thereto :

Starting at a point in the Norwell-Hingham Town Line 1,000 feet northeasterly from the northeasterly way line of Washington Street, measured at a right angle therefrom, at the northerly corner of District B-5; thence,

Northeasterly in the Norwell-Hingham Town line to the southwesterly way line of Prospect Street; thence,

In a generally southeasterly direction in the southwesterly way line of Prospect Street to its intersection with the northerly way line of Grove Street; thence,

In a generally westerly direction in the northerly way line of Grove Street to the easterly corner of the land of Carlton N. and Corinne Robinson; thence,

In the northeasterly property line of said Robinson land to a point 300 feet northerly from the northerly way line of Grove Street, measured at a right angle therefrom; thence,

In a generally westerly direction in a line 300 feet northerly from the northerly way line of Grove Street and parallel thereto to a point in the easterly way line of the "Town of Norwell, Water Department Easement;" thence,

In the easterly way line of said Water Department Easement in a generally southerly direction to its intersection with the northerly way line of Grove Street; thence,

In a generally westerly direction in the northerly way line of Grove Street to its intersection with the westerly way line of said Water Department Easement; thence,

In a generally northerly direction in the westerly way line of said Water Department Easement to a point 300 feet northerly from the northerly way line of Grove Street, measured at a right angle therefrom; thence,

In a generally westerly direction in a line 300 feet northerly from the northerly way line of Grove Street and parallel thereto to a point in the northeasterly line of District B-5, 300 feet northerly from the northerly way line of Grove Street, measured at a right angle therefrom; thence,

In the northeasterly line of District B-5 to the point of beginning.

Requested by the Development and Industrial Commission.

Article 47. To see if the Town will vote to remove from Residential District A the following described area and establish same as Business District C-2, or act on anything relative thereto.

Starting at the intersection of the easterly way line of Pleasant Street and the southwesterly way line of the Southeast Expressway; thence,

In a southeasterly direction in the southwesterly way line of the Southeast Expressway to its intersection with the westerly property line of Mary Tunis; thence,

In the westerly property line of said Tunis land to its intersection with the Norwell-Hanover Town line at the Third Herring Brook; thence,

In a generally westerly direction in the Norwell-Hanover Town line in the Third Herring Brook to its intersection with the easterly way line of Pleasant Street; thence,

In a generally northerly direction in the easterly way line of Pleasant Street to the point of beginning.

Requested by the Development and Industrial Commission.

Article 48. To see if the Town will vote to change Section VIA of the Zoning By-Laws by adding in the first line after the fourth word—C-1 and C-2—so that Section VIA will read:

"In Business Districts C, C-1 and C-2, no building or structure shall be constructed, altered or placed upon land for any use except as follows, nor shall any building or structure or premises be used for any purposes except . . ."

Requested by the Development and Industrial Commission.

Article 49. To see if the Town will vote to change the By-Laws by striking out Section 1 of Article XVIII and substituting in its place the following:

Section 1. Each employee, other than those employed by the School Committee and the Board of Public Welfare, who has worked for the Town an average of twenty or more hours a week for six months prior to June 1 of any calendar year shall be entitled to one week's paid vacation, and each employee who has worked for the

Town an average of twenty or more hours a week for twelve months or longer prior to June 1 of any calendar year shall be entitled to two weeks' vacation with pay. The amount of vacation pay shall be equal to the average weekly earnings from the Town of the employee during the preceeding six or twelve month period whichever is effective in determining the vacation period. Such vacation to be taken during the period June 1 to December 31 of the respective year and in no instance shall vacation time be accumulative, or act on anything relative thereto.

Requested by the Advisory Board.

Article 50. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$385.67 or some other sum or sums of money for unpaid expense account bills incurred in 1961, or act on anything relative thereto.

Loring L. Wadsworth	\$234.54
Katherine R. Fuller	100.85
Paul W. Keefe	50.28

Requested by the Board of Health.

Article 51. To see if the Town will vote to authorize the Town Accountant to close out the unexpended balances of the following appropriations, the purpose of which has been completed, or act on anything relative thereto:

1960 Town Garage Study Committee Expense	\$ 85.00
1960 Police Department—New Cruiser	.85
1961 Fire Department—New Truck	560.64
1961 Highway Department—Snow Plow	55.00
1961 Highway Department—Hydraulic Tailgate and Spreader	5.00
1958 Highway Department—Doris Avenue W. S. and Duncan Drive	3.58
1960 Highway Department—Drainage Main Street	2.02
1959 Regional Vocational School District Planning Committee Expense	384.08

Requested by the Town Accountant.

Article 52. To see if the Town will vote to rescind its action to the extent of \$100,000.00 for the loan authorized but unissued under Article 26, March 7, 1960, Senior High School, or act on anything relative thereto.

Requested by the Town Accountant.

Article 53. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$86,000.00 to be added to the Stabilization Fund, as provided by the General Laws, Chapter 40, Section 5B, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 54. To see if the Town will vote to instruct the Selectmen to install and maintain underground gasoline storage tanks on Town property and to maintain a supply of gasoline for all Town-owned vehicles and to instruct all elected and appointed Town officials and department heads that gasoline for Town-owned vehicles must come from these tanks and to instruct the Town Accountant and Town Treasurer that no bills for gasoline for Town-owned vehicles, except gasoline for these tanks shall be paid, except in extreme emergencies; the operation of this Town-owned gasoline supply to take effect when all departments are notified thereof by the Board of Selectmen that the system is in operation, but in no event later than July 1, 1962, and to raise and appropriate or appropriate from available funds the sum of \$4,700.00 for said purpose, or act on anything relative thereto.

Requested by the Board of Selectmen.

Article 55. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 or some other sum to purchase and install electrical generating equipment in the Ridge Hill Fire Station, or act on anything relative thereto.

Requested by the Board of Fire Engineers.

Article 56. To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$8,000.00 or any other sum or sums, to be added to a gift of \$1,000.00 to be given to the School Committee for the benefit of the Town of Norwell by the Norwell Women's Club, with all sums to be expended in accordance with General Laws, Chapter 71, Sections 37A and 71 under the direction of the Town of Norwell School Committee for the construction of tennis courts in accordance with plans and specifications to be established by the said School Committee, or act on anything relative thereto.

Requested by the Norwell Women's Club.

Article 57. To see if the Town will vote to continue the Town Government Study Committee for one year for additional study and to analyze the effect and value of recommendations, acceptable to Town officials and boards, which are to be presented in the Committee's report to the Town in this the 1962 Annual Meeting, or act on anything relative thereto.

Requested by the Town Government Study Committee.

Article 58. To see if the Town will vote to approve an analysis of the public records of the 1960 and 1961 property tax assessments and commitments under the direction of the Town Government Study Committee for the purpose of determining the value and effect of recent total reappraisal procedures with consultant participation and to appropriate the sum of three hundred and fifty dollars ( \$350.00 ) for the public distribution of such analysis, or act on anything relative thereto.

Requested by: Chester A. Rimmer, Robert B. Sanderson, Thomas T. Barstow, W. Brewster Southworth, John O'L. Edmonds, Ralph Painten, Clinton V. MacCoy, Alan E. Virtue, Louisa S. Hall, John A. Clark and Dennis F. Mederos.

Article 59. To see if the Town will vote to authorize the Board of Water Commissioners to acquire, by purchase or by eminent domain for the protection and development of the Town's water supply, two pieces of land: the first one is on the easterly side of Pleasant Street adjacent to the original pumping station, shown as Parcels 4, 5 and 6 on "Revised Plan of Land for Development of Water Supply, Town of Norwell," originally dated May 7, 1957; and the second piece is on the northerly side of Grove Street adjacent to the Grove Street Well, shown as Parcels "X" and "Y" on "Revised Plan of Land in Norwell for Development of Water Supply," originally dated March 24, 1957, or act on anything relative thereto.

Both of said Plans are by Loring H. Jacobs, Registered Land Surveyor, and copies are on file in the Selectmen's office.

Funds for this purpose shall be obtained from funds appropriated under Article III of the Special Town Meeting of October 10, 1960.

Requested by the Board of Water Commissioners.

Article 60. To see if the Town will vote to appropriate the 1961 Dog Tax Refund to the School Department Operation Account, or act on anything relative thereto.

Article 61. To see if the Town will give instructions to its elected Town Officers.

### **SALE OF FISH RIGHTS**

Subsequent Meeting for the Election of Officers

**SATURDAY, MARCH 17, 1962**

Polls Open 12:00 Noon to 8:00 p.m.

And you are further directed to notify all legal voters to assemble at the Center Elementary School, Main Street, on Saturday,

March 17, 1962, during the polling hours, then and there to act upon the following article:

Article 62. To bring to the Election Officers, their votes, all on one ballot for the following-named officers, to wit: one Selectman for three years; one Assessor for three years; one member of the Board of Public Welfare for three years; Town Treasurer for three years; Town Collector for three years; Moderator for one year; Highway Surveyor, Tree Warden, each for one year; two members of the School Committee, one member of the Board of Health, one member of the Board of Water Commissioners, one Trustee of the William J. Leonard Memorial Library, each for three years; one member of the Planning Board for five years and one member of the Planning Board for the unexpired term of three years.

You are hereby required to notify and warn said inhabitants of Norwell qualified to vote in Town affairs, in case all the articles in the foregoing Warrant shall not be acted upon at the meeting called for the twelfth day of March to meet in adjourned session at the Senior High School

**TUESDAY, THE THIRTEENTH DAY OF MARCH 1962**

at seven-thirty o'clock in the afternoon

and each subsequent weekday at seven-thirty o'clock in the afternoon, then and there to act upon such of the foregoing articles as shall not have been acted upon on March 12, 1962, or act upon such other articles in said Warrant as the meeting may deem advisable.

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing, at each of five public places in the Town seven days at least before the time for holding the meeting called for in the Warrant. Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twelfth day of March, 1962.

Given under our hands at Norwell this nineteenth day of February in the year of our Lord 1962.

G. HERBERT REPASS, Chairman  
EARLE F. ALLEN  
CHARLES H. WHITING

**ANNUAL TOWN MEETING****MARCH 12, 1962**

Pursuant to the foregoing Warrant, issued by the Selectmen of Norwell and executed by a duly appointed and qualified Constable of the Town, at which time a quorum was present, the voters met and took the following action:

The Annual Town Meeting was called to order by the Moderator, Joseph M. Silvia, at 7:45 P.M. at the new Norwell Senior High School with 251 registered voters in attendance. Later, the number of voters present became 538.

Rev. Roland Whitney, pastor of the Methodist Church, offered prayer.

The privilege of attending the meeting was extended to Frank DiSabatino, who ran the Recorder, and Frederick A. Small, Assistant Superintendent of Schools, who was given the privilege of speaking on any article in which he was interested.

The following were appointed tellers and were sworn to the faithful performance of their duty by the Moderator: Harry L. Chase, Jr., head teller, George H. Whitcher, Jr., Henry McQuade, James McElwee, Orville Devine and William Spradlin.

The Town Clerk read the call for the meeting as set forth in the Warrant, moved deferred reading of articles of Warrant until taken up for action, which was voted; the notice for Election, March 17th, and the Constable's return of service.

Mr. Rimmer, Chairman of the Town Government Study Committee, made a motion which was seconded "that the Town Government Study Committee report its findings and recommendations to this Town Meeting as was voted in the 1961 Annual Town Meeting and under Article 1 as an action relative to the reports of Town officers and Committees."

Mr. Repass talked against accepting Mr. Rimmer's report because it was not printed in the Town Report as the others were, and also the fact that it was given at this time. Mr. Repass moved to accept the reports of its officers and committees as printed in the Town Report. Much discussion followed and the Moderator suggested making an amendment to the Repass motion, so it would read as follows: Moved that the Town accept the reports of its officers and committees as printed in the Town Report, and to receive the report of the Town Government Study Committee. This motion was seconded and unanimously voted.

Motion made, seconded, that Articles 57 and 58 be taken up before Article 2. The Moderator ruled that a 2/3 vote would be necessary to do this. The vote to take up Article 57 was lost by a vote of 244 for and 211 against. The vote to take up Article 58 was likewise lost by a vote of 174 for, 216 against.

Article 2. The Moderator stated that, in order to save time, and if there was no objection, he would read the item number of the article and if one wished that item discussed, he would say "pass" when the number was read. No objection, and he began calling the numbers, of which the following were "passed," 2, 3, 4, 5, 8, 9, 22, 23, 24, 25, 26, 27, 28, 29, 40, 45, 46, 47, 49, 56, 76, 58, 78, 79, 80, 82, 83, 84, 85, 104, 107, 108, 111, 112, 113, 114, 115, 116, 117, 129, 151, 152, 153.

The Chairman of the Advisory Board, Mr. Rasmussen, moved, and it was seconded and voted, that the amounts printed next in all other items be raised and appropriated as printed in the recommended column of the Transcript of the Warrant, and that the Town fix the "per diem" compensation at the rate of \$16. under Item 9, Selectmen, Inspection and Extra Days; under Item 25, Assessors, Extra Days; Supervision, Water Department; and that the Town fix the salary and compensation of all elected officers of the Town, effective as of January 1, 1962.

Article 2. Item 2. Questioned if it would not be better for all salaries of all Selectmen be the same. Motion made, seconded and voted to raise and appropriate \$200. additional salary for Chairman, Board of Selectmen.

Item 3. Motion made, seconded and voted to raise and appropriate \$1,200., member clerk of Selectmen, additional salary.

Item 4. Motion made, seconded and voted to raise and appropriate \$900., members ( 3 ) Selectmen.

Item 5. Motion made, seconded and voted to raise and appropriate \$3,000., for expenses of Selectmen.

Item 8. Motion made, seconded and voted to raise and appropriate \$5,700. for Town Hall Clerks, 205 yes, 196 no.

Item 22. Motion made, seconded and voted to raise and appropriate \$200., additional salary, Chairman, Assessors.

Item 23. Motion made, seconded and voted to raise and appropriate \$1,200. additional salary for member clerk, Assessors.

Item 24. Voted, after motion was made and seconded, to raise and appropriate \$900. for 3 members, Board of Assessors.

Item 26. Motion made, seconded, but failed to carry, to raise and appropriate \$3600. for expenses of Assessors. Motion made, seconded and voted to raise and appropriate \$3,000. for Expenses of Assessors.

Item 27. Motion made, seconded and voted, to raise and appropriate \$4,000. Clerical Assistance, Assessors.

Item 28. Motion made, seconded and voted, to raise and appropriate \$1,200. Retainer Fee, Counsel.

Item 29. Motion made, seconded and voted to raise and appropriate \$2,000., for extra legal expenses of Counsel.

Item 40. Motion made, seconded and voted, to raise and appropriate \$250.00 expenses, Conservation Commission.

Item 45. Motion made, seconded and voted, to raise and appropriate \$6,200., Salary, Police Chief.

Item 46. Motion made, seconded and voted, to raise and appropriate \$14,400. Regular Police Officers.

Item 47. Motion made, seconded and voted, to raise and appropriate \$8,614.75, Payroll, Police Department.

Item 49. Motion made, seconded and voted, to raise and appropriate \$4,029., Cruiser Expense, Police Department.

Item 56. Motion made, seconded and voted, to raise and appropriate \$600., General Expense, Civil Defense.

Item 58. Motion made, seconded and voted, to raise and appropriate \$8,100., Emergency Communications Center, Salaries and Expenses.

Motion made, seconded and voted to adjourn until Tuesday, March 13, 1962, at 7:30 P.M.

NELLIE L. SPARRELL,  
Town Clerk

**ADJOURNED ANNUAL TOWN MEETING****MARCH 13, 1962**

The Adjourned Annual Town Meeting was called to order at 7:40 o'clock by the Moderator, with 302 voters present.

Thomas Kelly, a resident tax-payer, but not a voter, asked permission to attend the meeting with privilege to speak on Article 28. The assembly granted permission to Mr. Bradley, Supt. of Schools to attend and have the privilege of the floor.

The Moderator appointed Arthur Yonge to serve as teller in the absence of William Spradlin.

Article 2. Item 76. Mr. Benner moved and it was seconded, but failed to carry, to raise and appropriate \$5,000., Aid and Expense of Board of Health. Motion made, seconded and voted to raise and appropriate the sum of \$5,300., Aid and Expense, Board of Health.

Item 78. It was moved, seconded, but failed to carry, to substitute zero, for the figure given in the transcript of the Warrant. It was moved, seconded and voted to raise and appropriate the sum of \$3,700. salary of School Nurse.

Item 79. It was moved, seconded and voted to raise and appropriate \$600. for Transportation, School Nurse.

Item 80. It was moved, seconded and voted to raise and appropriate \$3,040. Salary, School Dentist.

Item 82. It was moved, seconded and voted to raise and appropriate \$900., Salary, School Physician.

Item 83. It was moved, seconded and voted to raise and appropriate \$3,000., Expenses, Town Dump.

Item 84. It was moved, seconded and voted to raise and appropriate \$4,000., Expenses, Mosquito Control.

Item 85. It was moved, seconded and voted to raise and appropriate \$5,650., Salary, Highway Surveyor.

Item 104. It was moved, seconded and voted to raise and appropriate \$32,000., Aid ( All Categories ) under Public Welfare.

Item 107. Motion made to lay on table, failed to carry. Motion made, seconded and voted to raise and appropriate \$700., Agent's Expense, Veterans' Benefits.

Item 108. Motion made, seconded and voted to appropriate \$25.00, Agent's Salary, Veterans' Benefits.

Motion made, seconded and voted that consideration of the School budget, Items 111 - 117, inclusive, be postponed until after disposition of Article 59 in this Warrant and that the town vote to instruct the School Committee to review its requirements to accomplish a reduction.

Item 129. It was moved, seconded and voted that the sum of \$2,737.00, be transferred from the E. & D. account to Washington St. Cemetery, Expenses.

Item 151. Motion made, seconded and voted to raise and appropriate \$7,265., Plymouth County Retirement.

Item 152. Motion made, seconded and voted to raise and appropriate \$10,100., Group Insurance.

Item 153. Motion made, seconded and voted to raise and appropriate \$18,790.50, Town Schedule Insurance.

Article 3. Motion made, seconded and voted to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1963, and to issue a note or notes therefor, payable within one year in accordance with General Laws, Chapter 44, Section 4, as amended, and to renew any note or notes as may be given for less than one year in accordance with General Laws, Chapter 44, Section 17, as amended.

Article 4. Motion made, seconded and voted to appropriate \$14,025.00 from E. & D. in anticipation of repayment by the Commonwealth of Massachusetts, for Chapter 81 work on the highways.

Article 5. Motion made, seconded and voted to appropriate from E. & D. in anticipation of repayment by the Commonwealth of Massachusetts and the County of Plymouth, for Chapter 90 work on West Main Street, the sum of \$8,000.00.

Article 6. Motion made, seconded and voted to appropriate from the E. & D. Account the sum of \$14,250. in anticipation of repayment by the Commonwealth of Massachusetts and the County

of Plymouth and the sum of \$750. as the Town's share for Chapter 90 highway work on Tiffany Road - East Street Bridge.

Article 7. Motion made, seconded and voted to appropriate from the E. & D. account the sum of \$945.00 for the purpose of hot topping the existing sidewalks at Norwell Center for a total distance of approximately one thousand three hundred and fifty feet.

Article 8. Motion made, seconded and voted to appropriate from the E. & D. account the sum of \$1,000. to be added to the Town Highway Account for mix and place surface on Prouty Avenue for a distance of one thousand feet.

Article 9. Motion made, seconded and voted to appropriate from the E. & D. account the sum of \$1,310.00 to be added to the Town Highway Account for mix and place surface on Duncan Drive for a distance of one thousand three hundred and ten feet.

Article 10. Motion made, seconded and voted to appropriate from the E. & D. account the sum of \$1,000. to be added to the Town Highway Account for mix and place surface on River Street for a distance of one thousand feet.

Article 11. Motion made, seconded and voted to postpone indefinitely action on grading and resurfacing with tar Green Street for a distance of 1,200 feet from Pleasant Street.

Article 12. Motion made, seconded and voted to indefinitely postpone action on Article 12.

Article 13. Motion made, seconded and voted to appropriate the sum of \$17,000. to purchase a four-wheel drive tractor loader with a back-hoe and to meet such appropriation by appropriating the sum of \$6,632.80 from the Road Machinery Fund, and \$10,367.20 from available funds, with the provision that this equipment be under the jurisdiction of the Highway Surveyor and shall be used by all departments having use for it instead of renting similar equipment. All unused monies appropriated for comparable rental equipment in Article 2 is to be turned back to the Town.

Article 14. A motion was made, seconded and voted to indefinitely postpone action on Article 14.

Article 15. A motion was made, seconded and voted to indefinitely postpone action on Article 15.

Article 16. A motion was made, seconded and voted to appropri-

ate from available funds ( E. & D. ) the sum of \$5,000. to be used by the Permanent Drainage Committee for the replacement of culverts, field engineering and other drainage work throughout the Town.

Article 17. Motion made and seconded to raise and appropriate or appropriate from available funds the sum of \$27,000. to install water mains of not less than six inches in diameter but less than sixteen inches in diameter in Old Oaken Bucket Road from the end of the existing main at the junction of Norwell Avenue, Central Street and Old Oaken Bucket Road to Cross Street. After much discussion, it was moved, seconded and voted to table Article 17.

Article 18. Motion made and seconded to appropriate the sum of \$27,000 to install water mains of not less than six inches but less than sixteen inches in diameter in Norwell Avenue from the end of the existing main at the junction of Norwell Avenue, Old Oaken Bucket Road and Central Street to the junction of Norwell Avenue, Lincoln and Grove Streets and to meet such appropriation by appropriating the sum of \$23,345.72 from available funds ( E. & D. ) and \$1,201.46 from the 1958 River Street Water Mains Fund and \$2,452.82 from the 1959 River Street Water Main Fund. After much discussion, it was voted to do this.

Article 17. A motion was made, seconded and voted, 178 yes, 103 no, to take article 17 from the table.

A motion was made, seconded and voted, 178 yes, 103 no, to take Article 17 from the table.

A motion was made, seconded and voted to raise and appropriate the sum of \$27,000. to install water mains of not less than six inches, but less than sixteen inches in diameter in Old Oaken Bucket Road from the existing main at the Junction of Norwell Avenue, Central Street and Old Oaken Bucket Road to Cross Street.

Motion made to reconsider Article 18 was ruled out of order by the Moderator.

Article 19. Motion made, seconded and voted to appropriate from available funds ( E. & D. ) the sum of \$3,000. to be added to the Developing Well and Well Fields Account to be spent to conduct tests on potential well or water source sites.

Motion made, seconded and voted to adjourn until Wednesday, March 14, 1962 at 7:30 P. M. in the same place.

NELLIE L. SPARRELL,  
Town Clerk

## ADJOURNED ANNUAL TOWN MEETING

March 14, 1962

The meeting was called to order at 7:40 P. M. with 227 registered voters present. Voted to admit Mr. and Mrs. Kelly, resident property owners of Prospect Street, who wish to speak on Article 28. Privilege granted.

Arthur Raymond, John Clark and Harold Dutton appointed tellers and sworn in.

Article 20. Motion made, seconded and voted to appropriate from available funds, (E. & D.) the sum of \$5,960. for the purchase of a two ton truck, or better, for use by the Tree and Moth Departments.

Article 21. Motion made, seconded and voted to appropriate from available funds (E. & D.) the sum of \$2,100. to purchase a new Police Department cruiser to replace the present 1961 cruiser.

Article 22. Motion made and seconded to accept Section 22D of Chapter 40 of the General Laws relating to the towing of improperly parked vehicles from municipal public ways. Motion made and seconded to lay this article on the table was defeated. Motion to reconsider was made and lost. Main motion was then voted, that is: to accept Section 22D of Chapter 40 of the General Laws, relating to the towing of improperly parked vehicles from municipal public ways.

Article 23. Motion made, seconded and voted to accept a portion of Brentwood Road as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation.

Article 24. Motion made, seconded and voted to accept Beers Avenue as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation.

Article 25. Motion made, seconded and voted to accept a portion of Ridge Hill Road as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation.

Article 26. Motion made, seconded and voted to accept a portion of Millwood Circle as a Town way as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office, without appropriation.

Article 27. Motion made, seconded, but failed to carry, to accept an alteration of the layout of a portion of Winter Street as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office.

Article 28. Motion made, seconded, but failed to carry to accept an alteration of the layout of a portion of Prospect Street as laid out by the Selectmen in accordance with the description and plan presented at a hearing in the Cushing Memorial Town Hall and now on file in the Town Clerk's office.

Article 29. A motion made and seconded to extend the term of the General School Building Committee for one year. Thereafter the report of the General School Building Committee was read. After some discussion, it was moved to amend the main motion by voting to discharge the General School Building Committee and to establish a Permanent Building and Maintenance Committee, whose function shall be the planning, construction and recommendation of maintenance policy of all Town buildings, said Committee to consist of the present eleven members of the General School Building Committee, vacancies to be filled by appointments by the Selectmen.

The amendment was voted, and then the amended motion was unanimously voted.

Articles 30 through 37, Inclusive. Successive and independent motions were made, seconded and voted to indefinitely postpone action on each of these Articles.

Article 38. Motion made, seconded and voted to amend Article XIV of the revised By-Laws of the Town of Norwell as amended, to read as printed in a pamphlet entitled "Building Code of Norwell—Commonwealth of Massachusetts" and of which copies accompanied the Warrant. Motion to recommit for further study was defeated.

Article 39. Motion made, seconded and voted to amend Article VI, Section 1, of the revised By-Laws of the Town of Norwell by adding thereto the office of "Inspector of Buildings."

Article 40. Motion made, seconded and voted to amend the revised By-Laws of the Town of Norwell by removing from Article VI, Electrical Installations, Paragraphs A, B, C and D and redesignating said paragraphs as Article XIV, Section XII, Paragraphs A, B, C and D.

Article 41. Motion made, seconded and voted to further amend Article VI of the revised By-Laws pertaining to Electrical Installations, Paragraph D by removing therefrom the words "may be removed by the Selectmen for due cause" and substitute therefor the words "may at pleasure be removed by the Board of Selectmen."

Article 42. Motion made, seconded and voted to amend Article XV of the revised By-Laws of the Town of Norwell by revoking and striking out in their entirety the present Title and Section 1 to 3 inclusive.

Article 43. Voted to amend Article 43 by adding "providing these remunerations and expenses do not exceed the fees charged." A motion was made, seconded and voted to appropriate from available funds the sum of \$1,500. for remuneration and expenses of the Building Inspector providing the remunerations and expenses do not exceed the fees charged.

Article 44. Motion made, seconded and voted, 144 yes, 33 no, to amend its Zoning By-Laws as follows:

1. By amending Section III so that the first two paragraphs will read as follows:

The Town is hereby divided into seven classes of districts:  
Residential Districts A, B and C  
Business Districts A, B and C  
Saltmarsh Conservation District

Residential and Business Districts are shown on "Zoning Map, Town of Norwell, September, 1959 as Revised August 18, 1960," which is filed in the Town Clerk's office and is made a part hereof.

2. By adding to Section III the following paragraph:

Saltmarsh Conservation District—The Saltmarsh Conservation District shall be the area along the North River from the River itself to the upland edge of the marsh as defined and shown on the 1915 Plan of the North River Authorized by Chapter 112, Resolves of 1914, William F. Williams, Chief Engineer, a copy of which is on file in the office of the Town Clerk and is made a part hereof.

3. By adding a new Section VIB as follows:

Section VIB

A. In the Saltmarsh Conservation District no structure shall be erected except non-commercial docks, catwalks, piers, wharves or floats, nor may any area within said zone be filled, drained, dredged or excavated.

PROVIDED, however;

B. The owner of any land located in this District, or his agent, may apply to the Zoning Board of Appeals for a special permit for the construction of any structure which would have been permitted on said land prior to the adoption of this Section VIB, or for filling, drainage, dredging or excavation. No permit shall be granted which will adversely affect the natural character of the area in which the land referred to in the application is located. No such permit shall be granted except after notice and hearing as is provided by law for the granting of variances. In addition, notice shall be given by registered mail to the Chairman of the Conservation Commission or his designated representative. The Conservation Commission shall file a report setting forth the opinion of the Conservation Commission as to whether or not the granting of a permit will be consistent with the natural character of the area and the aims and purposes of the Conservation Commission. If the Conservation Commission shall fail to file its report on or before the date set for the hearing on the permit, the Zoning Board of Appeals shall assume that the Conservation Commission has no objection to the granting of the permit, and the Conservation Commission shall have no standing to appear or be heard in any further proceedings relative to such permit.

Motion made, seconded and voted to adjourn until Thursday, March 15, 1962 at 7:30 P. M.

NELLIE L. SPARRELL,  
Town Clerk

## ADJOURNED ANNUAL TOWN MEETING

March 15, 1962

The adjourned Annual Town Meeting was called to order by the Moderator, with 332 voters present.

Article 45. Motion made, seconded and voted to appropriate from available funds ( Excess & Deficiency ) the sum of \$6,550. to add to the Conservation Fund under the provisions of General Laws, Chapter 40, Section 50, Clause 51 and Section 8C, as amended.

Article 46. Motion made and seconded that Zoning By-Laws be amended by adding a new business district, as printed in Article 46, Transcript of the Warrant. Amendment by Arthur DuLong suggesting specific and detailed measurements and distances with respect to locations of prospective buildings. On a point of order the Moderator ruled the amendment was out of order because no notice was provided to voters not at the meeting. After considerable discussion, the amendment to the Zoning By-Law was defeated on a rising vote, 127 to 145.

Article 47. Motion made, seconded and voted to indefinitely postpone action on Article 47.

Article 48. Motion made, seconded and voted to indefinitely postpone action on Article 48.

Article 49. Motion made and seconded to amend Article 49 by adding after " shall be entitled to two weeks vacation with pay" the words "and each employee who has worked for the Town an average of twenty or more hours a week for five consecutive years shall be entitled to three weeks vacation with pay." This motion was defeated by voice vote. Motion made, seconded and voted to change the By-Laws by striking out Section 1 of Article XVII and substituting in its place the following :

" Each employee, other than those employed by the School Committee and the Board of Public Welfare, who has worked for the Town an average of twenty or more hours a week for six months prior to June 1 of any calendar year shall be entitled to one week's paid vacation, and each employee who has worked for the Town an average of twenty or more hours a week for twelve months or longer prior to June 1 of any calendar year shall be entitled to two week's vacation with pay. The amount of vacation pay shall be equal to the average weekly earnings from the Town of the employee during the preceed-

ing six or twelve month period whichever is effective in determining the vacation period. Such vacation to be taken during the period June 1 to December 31 of the respective year and in no instance shall vacation time be accumulative."

Article 50. Motion made, seconded and voted to appropriate from available funds ( Excess & Deficiency ) the sum of \$385.67 for unpaid expense account bills incurred in 1961 as follows :

Loring L. Wadsworth	\$234.54
Katherine R. Fuller	100.85
Paul W. Keefe	50.28

On a rising vote, only one person opposed the motion.

Article 51. Motion made, seconded and voted to authorize the Town Accountant to close out the unexpended balances of the following appropriations, the purpose of which has been completed.

1960 Town Garage Study Committee, Expense	\$85.00
1960 Police Department—New Cruiser	.85
1961 Fire Department—New Truck	560.64
1961 Highway Department—Snow Plow	55.00
1961 Highway Department—Hydraulic Tailgate and spreader	5.00
1958 Highway Department—Doris Ave., W. S. and Duncan Drive	3.50
1960 Highway Department—Drainage, Main St.	2.02
1959 Reg. Voc. Sch. District Planning Committee Expense	384.08
	<hr/> \$1096.17

Article 52. Motion made, seconded and voted that the Town rescind its action to the extent of \$100,000. for the loan authorized, but unissued, under Article 26, March 7, 1960, Senior High School.

Article 53. Motion made and seconded to appropriate from available funds the sum of \$86,000. to be added to the Stabilization Fund, as provided by the General Laws, Chapter 40, Section 5B. Mr. Repass spoke against the article and indicated that he would make an appropriate amendment after disposition of Article 59 at the time when Items 111-117 would be presented to the meeting for consideration. It was voted to take up Article 53 after consideration of Item 111-117 and after Article 59.

Article 54. Motion made, seconded but defeated by a vote 125 yes, 130 no, to instruct the Selectmen to install and maintain underground gasoline storage tanks on Town property and to maintain a supply of gasoline for all Town-owned vehicles and to instruct all elected and appointed Town officials and department heads that gasoline for Town-owned vehicles, must come from these tanks and to instruct the Town Accountant and Town Treasurer, that no bills for gasoline for Town-owned vehicles, except gasoline for these tanks shall be paid, except in extreme emergencies; the operation of this Town-owned gasoline supply to take effect when all departments are notified thereof by the Board of Selectmen that the system is in operation, but in no event later than July 1, 1962, and to appropriate from available funds the sum of \$4,700. for said purpose.

Article 55. Motion made, seconded and voted to indefinitely postpone action on Article 55.

Article 56. Motion was made and seconded, but failed to carry, to raise \$8,000. to be added to \$1,000. gift of Norwell Women's Club for tennis courts, to the School Committee. Motion made, seconded and voted to thank the Norwell Women's Club for its gift of \$1,000.

Article 57. Motion made and seconded that the Town vote to continue the Town Government Study Committee for additional study and to analyze the effect and value of its recommendations, acceptable to Town officials and boards, which were presented in the Committee's report to the Town in this the 1962 Annual Meeting. Said committee to present its recommendations at a special town meeting on or before October 1, 1962 and to report its written recommendations to the townspeople at least seven (7) days before said town meeting, and that the Advisory Board be authorized to make appointments to provide for replacement or resignations.

Amendment was made that the Committee be given power to make its own appointments. Failed. Amendment made, seconded and voted that the Moderator be given the power to make appointments. Vote passed 147 yes, 86 no. Amendment "subject to approval of the Committee" failed. FINAL VOTE: Motion made, seconded and voted that the Town continue the Town Government Study Committee for additional study and to analyze the effect and value of recommendations, acceptable to Town officials and boards, which were presented in the Committee's report to the Town in this the 1962 Annual Meeting, said committee to present its recommendations at a special town meeting on or before October 1, 1962 and to report its written recommendations to the townspeople at least seven (7) days before said town meeting, and that the Moderator be authorized to make appointments to provide for replacement or resignations."

Article 58. Motion made, seconded, but failed to carry, to approve analysis of the public records of the 1960 and 1961 property tax assessments and commitments under the direction of the Town Government Study Committee for the purpose of determining the value and effect of recent total reappraisal procedures with consultant participation and to appropriate the sum of three hundred and fifty dollars ( \$350.00 ) for the public distribution of such analysis.

Article 59. Motion made, seconded and voted to postpone indefinitely action on Article 59.

Article 2. Items 111-117, inclusive, were taken up and motion made, seconded and voted to raise and appropriate the following amounts listed below:

Article 2.	Item 111.	General Control, Schools	\$13,366.00
	Item 112.	Instruction	347,121.00
	Item 113.	Operation	48,554.23
	Item 114.	Maintenance	11,395.00
	Item 115.	Auxiliary Agencies	56,491.00
	Item 116.	Out-of-State Travel	560.00
	Item 117.	Capital Outlay	3,600.00

Motion made, seconded and voted to take up Article 53. Motion made, seconded and voted to appropriate from available funds the sum of \$86,000. to be added to the School Funds, under Article 2, Item 112. Instruction.

Article 60. Motion made, seconded and voted to appropriate the 1961 Dog Tax Refund to the School Department Operation Account, in the amount of \$1,259.94.

Motion made, seconded and voted that it be spread on the record that the Town extends thanks to Mr. Paul Rasmussen, Mr. Paul Jevne and Mrs. Margaret E. C. Reeser, for their years of service to the Town on the Advisory Board.

Mrs. Gunvor Armstrong made a motion which was seconded and voted by a rising vote that the "1962 Town Meeting go on record to say 'thank you' to an elected School Committee official—Mrs. Nellie L. Sparrell—who has served this town for nearly half a century. (45 years)"

Article 61. Motion made, seconded and voted that the Selectmen be instructed, when preparing the Warrant for the annual town meeting for 1963, to serve notice that in case all the articles in the Warrant are not acted upon at the annual meeting called for the second

Monday of March, March 11, 1963, that the adjourned session shall be held on Tuesday, March 12, and if more time is needed, on Thursday, March 14 and Friday, March 15.

Motion made, seconded and voted to instruct the Selectmen to investigate Article 26 of the 1962 Scituate Town Warrant, which affects Norwell town ways, namely Winter Street, Cross Street, a portion of Main Street, and to take such action as to protect the rights, safety and privileges of Norwell citizens.

Motion made, seconded and voted to instruct the Selectmen to meet jointly with the Assessors and the Advisory Board before the Annual Town Meeting; and when the necessary figures are available, to discuss the appropriate figures which can be used for Free Cash and which can be given to the Advisory Board to use in their re-capitulation.

Motion made, seconded and voted to instruct all town officials, elected or appointed, boards, committees and commissions reporting to a town meeting regarding subject matter requiring action by the voters at said meeting, that they shall provide two complete and final written copies of such reports at least 21 week days before any town meeting to the Board of Selectmen, who are hereby instructed to distribute copies of the report to each resident of the town at least seven days before town meeting.

Motion made, seconded and voted to instruct the Town Government Study Committee to print its report, which was delivered orally to the Annual Town Meeting and distribute same to all residents of the Town.

Motion made, seconded and voted to instruct the By-Law Committee to consider incorporating in our by-laws rules of ethical limitations, generally known as "conflict of interests," and if legally possible to include the following: "No officials, board or committee members are to accept any compensation of any nature for any services in any transaction, negotiation, agreement or contract directly or indirectly involving town responsibilities or expenditures excepting compensation paid by the Town for generally accepted official services."

Fish Rights were sold to Mrs. James D. Brokaw and Richard F. Pelton for \$3.00 each.

Thanks were extended to the School Committee for the use of the fine new auditorium of the High School.

The business of the Warrant having been completed, motion was made, seconded and voted to adjourn the Annual Town Meeting of the Town of Norwell, for 1962.

NELLIE L. SPARRELL,  
Town Clerk

## ANNUAL TOWN ELECTION

March 17, 1962

Pursuant to the Warrant, the voters met at the Elementary School on Main Street, Saturday, March 17th, 1962 for the Annual Town Election.

The Town Clerk delivered 2432 ballots, 2 ballot boxes, 3 sets of voting lists, tally sheets, master sheet and counting board to Ralph H. Coleman, Warden, who was in charge of the meeting.

The polls were opened at 12 noon and closed at 8 P. M.

Joseph M. Silvia, Moderator, opened the meeting and swore in the following Election officers: Ralph H. Coleman, Warden, John Lindsay, Deputy Warden; Roger Dangora, Clerk; Agnes Albert, Deputy Clerk; Irene MacDonald, Rosalind Whittemore, Inspectors; Carol Marsh, John Regan, Sr., Ruth Murray, Deputy Inspectors; Eleanor Benner, Julia Rosebach, Arline DiStasio, Alice Feneck, Donald Wiese, Catherine Leslie, Ann J. Valair, Phyllis Lindsay, Joan F. Fadden, Katherine Crandall and Barbara Farren, Tellers.

After all who had voted who wished, the 11 absentee ballots received were checked on the voting lists and the ballots deposited in the ballot box.

At the close of the meeting, the register on the ballot box was reconciled with the two voting lists.

The Warden's record is as follows:

Number of ballots received from Town Clerk	2432
Number of ballots cast in person	1354
Number of ballots absentee, cast	11
Number of ballots spoiled	3
Number of ballots counted	1362

Upon being canvassed and counted in open meeting, they were found to have been cast as follows:

A True Copy Attest:

NELLIE L. SPARRELL,  
Town Clerk

**SPECIAL TOWN MEETING**

May 21, 1962

Pursuant to the foregoing Warrant, the voters met at the Norwell Senior High School, May 21st, 1962.

The meeting was called to order at 7:55 P.M. by the Moderator, Joseph M. Silvia, with 273 voters present. This number increased to 376 later in the evening.

It was voted to admit the following, who were not registered voters - Mr. and Mrs. Clapp of Hingham, with three others, two Assessors of Weymouth, and Mr. Frederick A. Small, Supt. of Schools. These people were seated apart from the voters. The Moderator appointed Harry L. Chase, Jr., George H. Whitcher, Jr., Arthur DuLong and John Wiley to serve as tellers and swore in same.

The Town Clerk read the call for the meeting from the Warrant, moved that reading of articles be deferred until taken up for action, which was voted; and the service of the Constable.

Article 1. Mr. McCarvell made the following motion: "I move that the town votes to have the Board of Assessors explain to the taxpayers, their proposed change to revalue the town to a full and fair cash value." This motion was seconded and carried by a voice vote. Mr. Allen, of the Assessors, explained the methods used by the board over the years. Mr. Crowley spoke and Mr. McCarvell offered an amendment, but was denied by the Moderator, who ruled that the subject of the amendment was taken care of under Article 3. It was moved, seconded and voted to table Article 1.

Article 2. Motion was made, seconded and after much discussion, voted by a voice vote "That the Town vote to instruct the Town Government Study Committee to study the State Assessing System, with the Department of Taxation and conforming towns and report their findings to the Town in the next Special Town Meeting."

Article 3. A motion was made, seconded and voted to amend Article 3 of the Warrant by deleting the words 'and the Assessors of all other towns.' A motion was made, seconded and after much discussion carried by a voice vote: "That the Town vote to advise the Assessors to continue the valuation principle used in the just completed revaluation program of 1961 until they receive signed official instructions, interpretations and definitions from the Department of Taxation in reference to lawful valuations."

Article 4. A motion was made and seconded "to instruct the Selectmen to install and maintain underground gasoline storage tanks on Town property and to maintain a supply of gasoline for all Town-owned vehicles and to instruct all elected and appointed Town officials and department heads that gasoline for Town-owned vehicles must come from these tanks and to instruct the Town Accountant and Town Treasurer that no bills for gasoline for Town-owned vehicles, except gasoline for these tanks shall be paid, except in extreme emergencies; the operation of this Town-owned gasoline supply to take effect when all departments are notified thereof by the Board of Selectmen that the system is in operation, but in no event later than November 1, 1962, and to raise and appropriate or appropriate from available funds the sum of \$3,000. for said purpose." The above article was amended by adding "All unused monies appropriated for gasoline under Article 2 at the 1962 Annual Town Meeting to be turned back to the town." Mr. Repass, of the Selectmen, spoke at length on the amended article, which was followed by many comments and questions from the planning board and individuals. By a vote of 85 for, 116 against, the motion was defeated.

A motion was made and seconded that in case we do not finish the Warrant tonight, the adjourned meeting be held next week Tuesday at the same time and place. A substitute motion was Voted that the adjourned session be held Tuesday, May 22nd.

Article 5. Motion was made and seconded that the Town vote to instruct the Permanent Building and Maintenance Committee to provide for the next elementary grades requirements by the Development of an addition to one of our present schools.

Mr. Whitcher, Chairman of the School Committee, gave the present enrollments and outlined what could be done to relieve the situation.

At this point the question of a quorum was raised. Upon being counted, it was found there were present less than 200, which constitute a quorum.

A motion to adjourn until Tuesday night, May 22, 1962 at 7:30 P.M. was made, seconded and voted, at 11:18 P.M.

NELLIE L. SPARRELL,  
Town Clerk

**ADJOURNED SPECIAL TOWN MEETING**

May 22, 1962

The meeting was called to order at 8:30 P.M. by the Moderator, Joseph M. Silvia, with 157 voters present.

Edward Walsh, John Petze and Ralph Coleman were appointed as tellers and were sworn in. Harry L. Chase, Jr., appointed May 21st, still served as Chairman of Tellers.

A recess was declared when an effort to gain attendance of more voters was made. Upon reconvening, it was found 187 were present, still too small for our quorum, which is 200.

Mr. Repass made a motion, which was seconded "to adjourn the meeting until Monday, September 24th at 7:30 P.M. in the Senior High School."

Mr. McCarvell asked the Moderator to state the status of the votes taken at the previous meeting, in case of adjournment. The reply was that the action was not valid until the meeting is finished.

A rising vote was taken on the motion to adjourn. 115 to adjourn, 64 against.

NELLIE L. SPARRELL,  
Town Clerk

**NOTICE OF ADJOURNMENT**

**SENIOR HIGH SCHOOL**

Plymouth, ss.

To either of the Constables of the Town of Norwell in said County of Plymouth and Commonwealth of Massachusetts.

**GREETINGS:**

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Norwell, qualified to vote in elections and Town affairs to meet at the Senior High School in said Norwell on Monday, the twenty fourth day of September, 1962, at the time and place stated above, then and there to act upon the following articles, to wit:

Article 1. To see if the Town will vote to instruct the Selectmen to send a general letter to every voter describing the importance and duties of all appointed officials and including a form card to be returned by volunteers indicating their preference of service, or act on anything relative thereto.

Requested by the Town Government Study Committee

Article 2. To see if the Town will instruct the Selectmen to introduce the use of a multiple standardized petition form to initiate and process all complaints, inquiries and service requests directed to the various Boards, Committees and Town Officials and to establish the necessary procedures for prompt official actions and maintenance of records, or act on anything relative thereto.

Requested by the Town Government Study Committee

Article 3. To see if the Town will vote to instruct the Selectmen to appoint an office manager in no sense charged with the responsibilities of an Executive Secretary with formal training and general office supervisory experience with an overall staff appropriation to organize and supervise the general administration of the Town or act on anything relative thereto.

Requested by the Town Government Study Committee

( Explanation of responsibilities as outlined in the Committee's Preliminary Report - Page 15 - Section D - Special Town Meeting Warrant for Monday, May 21, 1962. )

Article 4. To see if the Town will vote the following By-Law: Board, Commission or Committee salaries voted at the Annual Town Meeting are to be established at an amount to compensate for the normal responsibilities of each office and extra compensation is allowable only for special projects considered by the Advisory Board and approved by the Town, or act on anything relative thereto.

Requested by the Town Government Study Committee

Article 5. To see if the Town will vote the following By-Law: The salaries of the individual members of any specific Board shall be fixed at equal amounts but with extra compensation to the Chairman not to exceed \$100 per annum, or act on anything relative thereto.

Requested by the Town Government Study Committee

Article 6. To see if the Town will vote the following By-Law: No Selectmen shall serve on any other Board or in any official position subject to the statutory investigative powers of the Board of Selectmen, or act on anything relative thereto.

Requested by the Town Government Study Committee

Article 7. To see if the Town will vote to establish the following rules and regulations for the Permanent Building and Maintenance Committee, or act on anything relative thereto.

1. All construction contracts are to be approved by Town Counsel and reported to the Board of Selectmen with contractors performance and financial responsibility data.

2. A registered architect must be employed on all construction projects exceeding \$10,000.

3. The Committee in their preliminary request for appropriation is to submit the architect's estimate of a minimum cost based upon sound construction and adequate use.

4. An experienced construction supervisor usually known as a "Clerk of the Work" shall be employed by the Committee and directly paid by the Town on all construction contracts exceeding \$50,000.

5. Quotations before authorization shall be submitted by the contractor for all change orders or so-called extras and such quotations shall be subject to the architect's estimate and acceptance and finally approved by the majority of the Committee.

6. No member of the Building Committee shall accept any compensation directly or indirectly on any Town building or maintenance contract other than salaries or commissions as a competitive supplier.

7. Committee members representing competitive suppliers are to have equal rights with representatives of all other suppliers but cannot participate in any Committee vote for product or service decisions and such votes are to be accomplished by secret ballot.

8. A monthly statement of total commitments on each project is to be submitted to the Town Accountant for comparison and analysis of the project appropriation.

9. A complete report is to be filed with the Town on the completion of each project including a basic cost breakdown, record and reasons for extras, construction and site problems encountered, basic plan of provisions for future expansion if so designed and a duplicate complete final set of plans and specifications.

10. The Committee is empowered to examine all public property for construction maintenance determinations and all Boards are to submit previous experience costs for budget requirements.

Requested by Permanent Building and Maintenance Committee

Article 8. To see if the Town will vote to purchase, arrange for an option to purchase or take by eminent domain 65 acres, more or less, from a parcel of land owned by Joseph F. Pilalas and Anna L. Pilalas at the northwesterly corner of Grove and Prospect Streets,

being all the land contained in said parcel excepting therefrom approximately two acres with the present dwelling thereon for school purposes, school playgrounds, and other municipal purposes and to raise and appropriate or transfer from available funds the sum of \$42,500 therefor or such other sum or sums as the Town may vote, or act on anything relative thereto.

Requested by the Planning Board

Article 9. To see if the Town will vote to purchase, arrange for an option to purchase or take by eminent domain 50 acres, more or less, from a parcel of land owned by Joseph F. Pilalas and Anna L. Pilalas at the northwesterly corner of Grove and Prospect Streets, being all the land contained in said parcel excepting therefrom a strip approximately 350 feet deep along Grove and Prospect Streets but retaining an entrance strip approximately 100 feet wide off Grove Street and a like entrance strip off Prospect Street for school purposes, school playgrounds and other municipal purposes and to raise and appropriate or transfer from available funds the sum of \$22,500 therefor or such other sum or sums as the Town may vote, or act on anything relative thereto.

Requested by the Planning Board

Article 10. To see if the Town will vote to purchase, arrange for an option to purchase or take by eminent domain 20 acres, more or less, from a parcel of land owned by Joseph F. Pilalas and Anna L. Pilalas at the northwesterly corner of Grove and Prospect Streets, said 20 acres being the southerly portion of said parcel but except for a strip approximately 350 feet deep along Grove and Prospect Streets but including an entrance strip 100 feet wide from Grove Street for school purposes, school playgrounds and other municipal purposes and to raise and appropriate or transfer from available funds the sum of \$11,000 therefor or such other sum or sums as the Town may vote, or act on anything relative thereto.

Requested by the Planning Board

Article 11. To see if the Town will vote to purchase or take by eminent domain a portion of a parcel of land owned by Nellie L. Sparrell and containing about 8 1/2 acres, bounded southerly by land of Elizabeth B. Power, Francis E. MacFarlane, other land of Nellie L. Sparrell, Herbert E. and Grace C. Joseph, other land of Francis E. and Marjorie G. MacFarlane and land of Thomas A. and Loretta M. McNiff; westerly by land of Elizabeth B. Power and land of Nellie L. Sparrell; northerly by land of Grace L. Sparrell, Ernest W. Jr. and Phyllis C. Haskins and Ruth S. Broughton; easterly by land of Richard A. and Mary E. Housley together

with a strip of other land of Nellie L. Sparrell 40 feet wide running from Main Street to the above-described and being the westerly line of said parcel and bounded westerly by land of Francis E. MacFarlane for municipal purposes and to raise and appropriate or transfer from available funds the sum of \$6,500 therefor, or such other sum or sums as the Town may vote, or act on anything relative thereto.

Requested by the Planning Board

Article 12. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$3,800 for surveying, placing bounds and for testing of the Pilalas land, or act on anything relative thereto.

Requested by the Planning Board

Article 13. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$600 for surveying and placing bounds on the land of Nellie L. Sparrell as described in Article 11, or act on anything relative thereto.

Requested by the Planning Board

Article 14. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$1,200 for the purchase of one, new ten foot snow plow, reversible type, with front mount push frame, mounted on the Tree Department truck #5. Price to include plow, push frame and hydraulic belt-driven lift for plow, or act on anything relative thereto.

Requested by the Highway Surveyor

Article 15. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$1,200 for the purchase of one used two-cubic yard, self-propelled street sweeper, or act on anything relative thereto.

Requested by the Highway Surveyor

Article 16. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$2,850 for the purchase of a 1963 station wagon or \$2,500 for the purchase of a 1963 sedan to replace the present 1959 Police Cruiser, or act on anything relative thereto.

Requested by the Board of Selectmen

Article 17. To see if the Town will vote to authorize the Town Accountant to close out the unexpended balances of the following appropriations, the purpose of which has been completed, or act on anything relative thereto :

1961 Selectmen's Dept. — Road Layouts	\$ 20.22
1960 Town Hall and Annex — Parking Area	51.50
1958 Town Hall and Annex — Parking Space	164.70
1962 Police Dept. — New Cruiser	96.00
1962 Tree Warden — New Truck	2.50
1960 Highway Dept. — Drainage on Green Street	659.29
1962 Highway Dept. — New Tractor-Loader	590.31
1962 Memorial Day	49.86

Requested by the Town Accountant

You are directed to serve this Warrant by posting a copy thereof, attested to by you in writing, at each of five public places in the Town seven days at least before the time for holding the meeting called for in the Warrant. Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk of said Town on or before the twenty fourth day of September, 1962.

Given under our hands at Norwell this tenth day of September, 1962.

G. HERBERT REPASS, Chairman  
EARLE F. ALLEN  
CHARLES H. WHITING

A True Copy Attest:

I hereby certify that I have posted said Warrant in accordance with the Town by-law, and make this my return.

HARLAND W. FARRAR, /s/  
Constable, Town of Norwell

Date: 9-22-62

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this twentieth day of August, A.D., 1962.

G. HERBERT REPASS, Chairman  
EARLE F. ALLEN  
CHARLES H. WHITING  
Selectmen of Norwell

A True Copy Attest:

I certify that I have this day posted ten (10) warrants, according to a vote of the town and make this my return.

GEORGE F. CAVANAGH,  
Constable

Date: 9-7-62

**STATE PRIMARY**

September 18, 1962

The polls opened at 12 noon, with the following Election Officers in attendance:

Ralph H. Coleman, Warden; Roger Dangora, Clerk; Nellie G. Tarr, Asst. Town Clerk; John Piotti in charge of the ballot box.

MINNA R. SENGHER	Inspector
JOHN A. REAGAN, SR.	Inspector
MARGARET E. C. REESER	Deputy Inspector
CONSTANCE R. SAYRS	Deputy Inspector
RICHARD V. PELTON	Deputy Inspector
JULIA F. ROSEBACH	Deputy Inspector
JANICE LITCHFIELD	Deputy Inspector
GLORIA BRODERICK	Deputy Inspector

The Assistant Town Clerk swore the Election Officers to the faithful performance of their duties and the polls were declared open by the Warden.

The ballot box was empty and registered 00000.

The Asst. Town Clerk delivered the following to the Warden: 2 ballot boxes, 3 counting boards, 5 sets of voting lists, Democratic ballots, Republican ballots, tally sheets, a master sheet for tally of votes, envelopes for ballots cast and valise for ballots after counting. The warden delivered 2572 Republican ballots and 900 Democratic ballots to the ballot clerks.

At 6:30 P.M. substitution for new ballot box. First one filled at 00786.

The polls were declared closed by the Warden at 8:00 P.M. at which time the ballot box registered 1260.

After the closing of the polls, the Asst. Town Clerk swore in the following: Kathryn F. Leslie, Mary E. Alward, Eleanor J. Benner, Barbara A. Farren, Josephine A. Valair, Doris Irish, June E. McSweeney, Elizabeth Hallaren, Arline DiStasio, June Lepisto, Carol Marsh, Katherine E. Cranton, Tellers; and Agnes Albert, Assistant Clerk.

1260 ballots were taken from the ballot box, which corresponded with the ballot box register, which were found to be 356 Democratic and 904 Republican.

Upon being canvassed and counted in open meeting, they were found to have been cast as follows :

## STATE ELECTION

NOVEMBER 6, 1962

Pursuant to the foregoing Warrant, the qualified voters met at the Elementary School cafeteria and held the Election of Federal, State and County officers.

At 5:55 A.M. the ballot box was examined and found to be empty and registered at 00000. The following election officers were sworn in by the Asst. Town Clerk, Nellie G. Tarr; John Piotti, on the ballot box, Julia Rosebach, Wilder Gaudette as substitute for Constance Sayrs, Janice Litchfield, John A. Reagan, Sr., Minna R. Senger, Gloria A. Broderick, Margaret E. C. Reeser, Carmella Molla, police matron, Ralph H. Coleman, Warden, Roger Dangora, Clerk, Edward F. Farmer.

The Warden declared the polls opened at 6 A.M.

The polls were closed at 8 P.M. at which time the ballot box register read 2296. Ballot box skipped twice, so correct reading was 2294. 34 absentee ballots were cast, making the total number of ballots cast 2328.

After the polls were closed, the following election officers were sworn to the faithful performance of their duty by the Asst. Town Clerk: Mary Alward, Barbara Farren, Nancy Pihlcrantz, Doris Irish, Carmella Osgood, Margaret DeFabio, June McSweeney, Marie L. Brookfield, Arline DiStasio, June Lepisto, Ann Valair, Elizabeth W. Hallaren, Kurt E. Sundwall, Carol Marsh, Helen Lincoln, Katherine Cranton, Catherine Edmonds, Barbara Cox and Agnes Albert. At 10:05 P.M. Mary Daly of River Street was called as an extra teller and sworn by the Warden, Ralph Coleman. The tally was completed at 7:30 A.M. on November 7, 1962.

Upon being canvassed and counted in open meeting, the votes were found to have been cast for the following persons:

## SENATOR IN CONGRESS

Edward M. Kennedy	708
George C. Lodge	1554
Lawrence Giffedder	5
H. Stuart Hughes	43
Mark R. Shaw	0

## QUESTION NO. 1

## PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held May 13, 1959, received 143 votes in the affirmative and 118 in the negative, and in a joint session of the two branches held March 29, 1961, received 144 votes

in the affirmative and 121 in the negative ?

YES	318
NO	1800
BLANKS	210

#### SUMMARY

The proposed amendment imposes no new taxes but gives the General Court the power to pass an income tax at graduated or proportioned rates and is a change in the constitutional limitations now in effect on the power of the General Court to pass tax measures. The proposed amendment would add a new Article to the Constitution of the Commonwealth by which full power and authority is granted to the General Court, in the alternative to the power and authority to tax incomes in the manner provided in Article XLIV of the Amendments to the Constitution, to impose a tax on incomes at rates which are proportioned or graduated according to the amount of income received, irrespective of the source from which it may be derived, and to grant reasonable exemptions, deductions and abatementments. It further provides that any property the income of which is taxed under the provisions of the proposed Article may be exempted from the imposition and levying of proportional and reasonable assessments, rates and taxes as at present authorized by the Constitution, and that the Article shall not be construed to limit the power of the General Court to impose and levy reasonable duties and excises.

#### QUESTION NO. 2

##### LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved by both branches of the General Court by vote not recorded ?

YES	315
NO	1741
BLANKS	272

#### SUMMARY

This act increases the compensation each member of the General Court shall receive for each regular annual session from fifty-two hundred dollars to sixty-seven hundred dollars and increases the additional compensation the President of the Senate and the Speaker of the House of Representatives shall receive from fifty-two hundred dollars to sixty-seven hundred dollars. The act also increases the additional compensation the floor leaders of the major political parties in the Senate and House of Representatives, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of the House Committee on Ways and Means shall receive from

twenty-six hundred dollars to thirty-three hundred and fifty dollars, and provides that a member of the General Court chosen to fill a vacancy, or who resigns his seat during a regular annual session, shall receive a per diem compensation at the increased rate of compensation for each regular annual session.

### QUESTION NO. 3

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages ( whisky, rum, gin, malt beverages, wines and all alcoholic beverages ) ?

YES	1173
NO	911
BLANKS	244

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages ( wines and beer, ale and all other malt beverages ) ?

Yes	1146
NO	807
BLANKS	375

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises ?

YES	1477
NO	517
BLANKS	334

### QUESTION NO. 4

A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county ?

YES	1084
NO	1042
BLANKS	202

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county ?

NO	1084
BLANKS	280

NELLIE L. SPARRELL

Town Clerk

NELLIE G. TARR

Assistant Town Clerk

**RECOUNT OF GUBERNATORIAL VOTES  
CAST IN STATE ELECTION**

November 6, 1962

Pursuant to orders from the Secretary of the Commonwealth, Kevin H. White, the Board of Registrars of the Town of Norwell, on Saturday, December 1, 1962, starting at 9 A.M. held a recount of the votes cast on November 6, 1962, for the office of Governor of the Commonwealth of Massachusetts.

Each block of ballots was opened, counted and re-sealed in the ballot envelopes.

At the finish of the recount, it was found that the votes had been cast as follows :

John A. Volpe	1602
Endicott Peabody	712
Henning A. Blomen	3
Guy S. Williams	1
Blanks	10
TOTAL	2328

This was a gain to Mr. Volpe of 8 votes from the original count and a loss of 8 votes from Mr. Peabody's original count.

Present and recounting were Charles G. Prouty, Chairman, Ruth M. Murray, Richard V. Pelton, and Nellie G. Tarr, Assistant Town Clerk, substituting for Mrs. Sparrell. Harland W. Farrar, Constable, was in attendance.

NELLIE L. SPARRELL  
Town Clerk  
NELLIE G. TARR  
Assistant Town Clerk

**ADJOURNED SPECIAL TOWN MEETING**

September 24, 1962

Pursuant to the foregoing Warrant, the Special Town Meeting, which was adjourned on May 22, 1962 to be reconvened on September 24, 1962, was called to order by the Moderator, Joseph M. Silvia, at 8:07 P.M. with 204 voters present. The Moderator appointed as tellers Harry L. Chase, Jr., Paul Jevne, H. William Cook and John Petze, who were sworn to the faithful performance of their duties.

Motion made, seconded and voted that non-voters and residents be admitted to the floor. These were seated in a section of front seats set apart from the voters.

The Moderator explained that the Town Clerk, Mrs. Nellie L. Sparrell, was absent from the meeting, due to illness, but that Mrs. William Tarr had been appointed by Mrs. Sparrell, prior to her illness, as Assistant Town Clerk and would therefore act in the capacity of the Town Clerk for the meeting.

It was moved, seconded and voted that the reading of the Warrant and the service thereof be omitted.

Article 5. Motion made and seconded that the Town vote to instruct the Permanent Building and Maintenance Committee to provide for the next Elementary Grades requirements by the development of an addition to one of our present schools. Mr. George Whitcher, Jr., Chairman of the School Committee stated that the School Committee favors a free-standing new school. Mr. Small gave figures on present and anticipated enrollment. Mr. Myrick suggested that action be postponed until information and figures were available for presentation to the Annual Town Meeting. After considerable discussion, the motion failed to carry.

Article 6. Motion made, seconded and voted to instruct the Permanent Building and Maintenance Committee to provide for the next Elementary Grades requirements by the development of a new Elementary School. This was carried by voice vote.

Article 7. Motion made and seconded that the Town vote to establish the responsibility for submitting at least three locations to the Town for approval with one of the following authorities: School Committee, Permanent Building and Maintenance Committee or the Planning Board. This motion was ruled out of order. Motion was then made and seconded "that the Town vote to establish with the Plan-

ning Board the responsibility for submitting at least three locations to the Town for approval as a school site." This motion was amended by adding "subject to the approval of the Permanent Building and Maintenance Committee and the School Committee." The amendment was carried by a standing vote of 91 yes and 87 no. The main motion was then voted as amended, so that the motion voted was as follows: "That the Town vote to establish with the Planning Board the responsibility for submitting at least three locations to the Town for approval as a school site, subject to the approval of the Permanent Building and Maintenance Committee and the School Committee."

Article 8. Motion made, seconded and voted to authorize the Permanent Building and Maintenance Committee to use the unexpended funds appropriated in Article 2 in the Special Town Meeting, September 21, 1959, for school study purposes to develop new school locations acceptable to the State Department of Public Health as required by the School Building Assistance Commission.

Article 9. Motion made, seconded and voted to instruct the Permanent Building and Maintenance Committee and the Tree Warden to study the advisability of placing responsibility for all outside public grounds with the Tree Warden and report their findings to the next Town Meeting.

Article 10. Motion made, seconded and voted to instruct the Permanent Building and Maintenance Committee to study the consolidation and expansion of present office facilities to provide adequate operational and record storage capacity for all officers, boards and committees and to report their findings and recommendations to the next Town Meeting.

Article 11. Motion made and seconded to establish a Public Works Coordinating Board without operational authority, consisting of three members equally compensated and without any other official Town responsibilities. Such coordinating board members to be nominated by the Moderator and approved by the Town, one member to serve for one year, one member to serve for two years, one member to serve for three years and such appointments to be followed by an Annual Town Meeting single nomination and approval to provide for expiring terms. This motion failed to carry.

Article 12. The Moderator read Article 12 to the Assembly. After considerable discussion, motion was made, seconded and voted that action be postponed indefinitely.

The business of the Warrant having been completed, motion was made, seconded and voted to adjourn the meeting at 2 minutes to 10 P.M.

## SPECIAL TOWN MEETING

September 24, 1962

Pursuant to the foregoing Warrant, the Special Town Meeting opened at 10:00 P.M. on September 24, 1962, with 219 voters present. Tellers, William Cook, Harry L. Chase, Jr., John Petze and Paul Jevne were appointed by the Moderator and sworn in by him. It was voted to admit non-voters to the meeting, seated separately from the registered voters.

It was moved, seconded and voted that the reading of the Warrant and return of service be omitted.

Article 1. It was moved, seconded and voted to instruct the Selectmen to send a general letter to every voter describing the importance and duties of all appointed officials and including a form card to be returned by volunteers indicating their preference of service.

Article 2. Motion made, seconded and voted to instruct the Selectmen to introduce the use of a multiple standardized petition form to initiate and process all complaints, inquiries and service requests directed to the various Boards, Committees and Town Officials and to establish the necessary procedures for prompt official actions and maintenance of records.

Article 3. Motion made and seconded to instruct the Selectmen to appoint an office manager, in no sense charged with the responsibilities of an Executive Secretary, with formal training and general officer supervisory experience with an overall staff appropriation to organize and supervise the general administration of the Town. Motion made and seconded to amend the main motion by inserting the words "and without previous town elected political responsibilities" after the phrase "general officer supervisory experience" and before "with an overall staff appropriation" so Article 3 as amended will read: "To see if the town will vote to instruct the Selectmen to appoint an office manager in no sense charged with the responsibilities of an Executive Secretary, one with formal training and general office supervisory experience and without previous town elected political responsibilities, with an overall staff appropriation to organize and supervise the general administration of the town." The amended motion failed to carry. The main motion was then voted and passed.

Article 4. Motion was made that the Town vote the following By-Law: Board, Commission or Committee salaries voted at the

Annual Town Meeting are to be established at an amount to compensate for the normal responsibilities of each office and extra compensation is allowable only for special projects considered by the Advisory Board and approved by the Town.

A motion to postpone indefinitely was seconded but failed to carry. Motion made, seconded and voted to amend by adding the words "beginning 1963." The amendment carried. The motion as amended was voted as follows: Board Commission or Committee salaries voted at the Annual Town Meeting beginning 1963 are to be established at an amount to compensate for the normal responsibilities of each office and extra compensation is allowable only for special projects approved by the Advisory Board.

Article 5. Motion made and seconded that the Town vote the following by-law: "The salaries of the individual members of any specific Board shall be fixed at equal amounts but with extra compensation to the Chairman not to exceed \$100. per annum." This was voted to be amended by adding the phrase "beginning at the Annual Town Meeting of 1963" after the words "shall be fixed" and before the words "at equal amounts" so that the amended motion was as follows: "The salaries of the individual members of any specific Board shall be fixed beginning at the Annual Town Meeting of 1963 at equal amounts but with extra compensation to the Chairman not to exceed \$100. per annum." The amended motion was voted.

Article 6. Motion made and seconded that the Town vote the following By-Law: "No Selectmen shall serve on any other Board or in any official position subject to the statutory investigative powers of the Board of Selectmen." This was voted to be amended by adding the phrase "after March of 1963" after the words "No Selectmen shall serve" and before the words "on any other Board" so that the amended motion was as follows: "No Selectmen shall serve after March of 1963 on any other Board or in any official position subject to the statutory investigative powers of the Board of Selectmen." The amended motion was voted.

Article 7. Motion was made and seconded to establish the following rules and regulations for the Permanent Building and Maintenance Committee:

1. All construction contracts are to be approved by Town Counsel and reported to the Board of Selectmen with contractors performance and financial responsibility data.

2. A registered architect must be employed on all construction projects exceeding \$10,000.

3. The committee in their preliminary request for appropriation is to submit the architect's estimate of a minimum cost based upon sound construction and adequate use.

4. An experienced construction supervisor usually known as a "Clerk of the Works" shall be employed by the Committee and directly paid by the Town on all construction contracts exceeding \$50,000.

5. Quotations before authorization shall be submitted by the contractor for all change orders or so-called extras and such quotations shall be subject to the architect's estimate and acceptance and finally approved by the majority of the Committee.

6. No member of the Building Committee shall accept any compensation directly or indirectly on any Town building or maintenance contract other than salaries or commissions as a competitive supplier.

7. Committee members representing competitive suppliers are to have equal rights with representatives of all other suppliers but cannot participate in any Committee vote for product or service decisions and such votes are to be accomplished by secret ballot.

8. A monthly statement of total commitments of each project is to be submitted to the Town Accountant for comparison and analysis of the project appropriation.

9. A complete report is to be filed with the Town on the completion of each project including a basic cost break-down, record and reasons for extras, construction and site problems encountered, basic plan of provision for future expansion if so designed and a duplicate complete final set of plans and specifications.

10. The committee is empowered to examine all public property for construction maintenance determinations and all Boards are to submit previous experience costs for budget requirements.

A motion was made and seconded to postpone indefinitely action on the main motion but this motion failed to carry. The original motion was voted and carried.

Article 8. Motion made that the town vote to purchase for use as a school site, town garage site and other municipal purposes, 65 acres more or less, from a parcel of land owned by Joseph F. Pilalas and Anna L. Pilalas at the northwesterly corner of Grove and Prospect Streets, being all the land contained in said parcel excepting therefrom approximately two acres with the present dwelling thereon, and to raise and appropriate the sum of \$46,000. therefor.

Motion made and seconded to postpone indefinitely action on the main motion, which carried.

A motion was then made, seconded and voted to reconsider this action.

Motion was then made and seconded to postpone indefinitely action on original motion. This motion was defeated.

A motion was then made and seconded to postpone action on original main motion until the Annual Town Meeting. This motion carried.

Article 9. Motion made and seconded that the Town vote to purchase, arrange for an option to purchase or take by eminent domain 50 acres, more or less, from a parcel of land owned by Joseph F. Pilalas and Anna L. Pilalas at the northwesterly corner of Grove and Prospect Streets, being all the land contained in said parcel excepting therefrom a strip approximately 350 feet deep along Grove and Prospect Streets, but retaining an entrance strip approximately 100 feet wide off Grove Street and a like entrance strip off Prospect Street for school purposes, school playgrounds and other municipal purposes and to raise and appropriate or transfer from available funds the sum of \$22,500. therefor.

Motion was made, seconded to postpone indefinitely the action suggested by the main motion. The motion to postpone indefinitely carried.

Article 10. Motion made, seconded and voted to postpone indefinitely action on Article 10.

Article 11. Motion made and seconded to see if the Town will vote to purchase or take by eminent domain a portion of a parcel of land owned by Nellie L. Sparrell and containing about 8-1/2 acres, bounded southerly by land of Elizabeth B. Power, Francis E. MacFarlane, other land of Nellie L. Sparrell, Herbert E. and Grace C. Joseph, other land of Francis E. and Marjorie G. MacFarlane and land of Thomas A. and Loretta M. McNiff; westerly by land of Elizabeth B. Power and land of Nellie L. Sparrell; northerly by land of Grace L. Sparrell, Ernest W., Jr. and Phyllis C. Haskins and Ruth S. Broughton; easterly by land of Richard A. and Mary E. Housley together with a strip of other land of Nellie L. Sparrell 40 feet wide running from Main Street to the above-described and being the westerly line of said parcel and bounded westerly by land of Francis E. MacFarlane for municipal purposes and to transfer from available funds the sum of \$6,500. therefor.

The Moderator stepped down from the podium after his statement

that he was representing Mrs. Sparrell, with reference to her personal affairs, and felt that he should not preside during the discussion of this article. No objection being raised, Mr. Frederick A. Small, a former Moderator of the Town, took the Chair and was sworn to his duties, until the final completion of the article.

Article 11. The main motion was amended to include the phrase "for a garage site" before the words "municipal purposes." A motion was then made, seconded and voted to postpone action on the main motion until the Annual Town Meeting in March, 1963.

Article 12. Motion made, seconded and voted to postpone indefinitely action on Article 12.

Article 13. Motion made, seconded and voted to postpone indefinitely action on Article 13.

Article 14. Motion made and seconded to transfer from the Highway Road Machinery Fund the sum of \$1,200. for the purchase of one, new ten foot snow plow, reversible type, with front mount push frame, mounted on the Tree Department truck #5. Price to include plow, push frame and hydraulic belt-driven lift for plow. Motion made and seconded to indefinitely postpone action on main motion, but this motion failed to carry. The main motion was voted and carried.

Article 15. Motion made and seconded to transfer from the Highway Road Machinery Fund the sum of \$1,200. for the purchase of one used two-cubic yard, self-propelled street sweeper. Motion made, seconded and voted to indefinitely postpone action on main motion.

Article 16. Motion made, seconded and voted to transfer from available funds the sum of \$2,850. for the purchase of a 1963 station wagon to replace the present 1959 Police Cruiser.

Article 17. Motion made, seconded and voted to authorize the Town Accountant to close out the unexpended balances of the following appropriations, the purpose of which has been completed:

1961 Selectmen's Dept. — Road Layouts	\$20.22
1960 Town Hall and Annex — Parking Area	51.50
1958 Town Hall and Annex — Parking Space	164.70
1962 Police Dept. — New Cruiser	96.00
1962 Tree Warden — New Truck	2.50
1960 Highway Dept. — Drainage on Green Street	659.29
1962 Highway Dept. — New Tractor-Loader	590.31
1962 Memorial Day	49.86

The business of the Warrant having been completed a motion made, seconded and voted to adjourn at 12:01 A.M.

August 26. Married in Braintree, Carl A. Silverman of Norwell and Charlotte ( Brown ) Pizer of Newton, by Rabbi David B. Alpert.

August 26. Married in Norwell, Ovide E. Brouillard and Grace R. DeFabio, both of Norwell, by Robert H. Mooney, Priest.

August 31. Married in Brighton ( Boston ), Raymond A. Hansen, Jr. of Norwell and Virginia E. Haslett of Brighton, by Rev. Roger W. Johnson, Clergyman.

September 20. Married in Norwell, Thomas Melvin Berry of Brockton and Carol Ann Chubbuck of Brockton, by Warren M. Roberts, Clergyman.

September 29. Married in Auburn, Mass., Kenneth A. Souza of Norwell and Diane Sophie Ravidou of Auburn, by Rev. Charles J. Dumphy, Priest.

October 6. Married in Norwell, Robert C. Dunn of Rockland and Mary L. Farrar of Norwell, by Warren M. Roberts, Clergyman.

October 7. Married in Braintree, John Graham Martin of Braintree and Constance ( Joseph ) Wyman of Norwell, by Rev. John F. Donovan, Priest.

October 13. Married in So. Weymouth, Robert Godin of Norwell and Carol Anne Steinemer of Weymouth, by Richard O. Burns, Clergyman.

October 13. Married in Norwell, Francis Michael Moriarty of Marlboro, and Petrea Ann Wessman of Norwell, by Robert H. Mooney, Priest.

October 13. Married in York, Maine, James William Ryan of Norwell, and Catherine Arlene Trombley of Stoughton, by Lester M. Bragdon, Trial Justice and ex-officio Justice of the Peace.

November 10. Married in Norwell, Mass., Edward F. Walsh, Jr. and Priscilla A. Vaughan, both of Norwell, by Robert H. Moonsey, Priest.

November 28. Married in Norwell, Mass., Earl Louis Servant of Quincy, Mass. and Betty Jane Lincoln of Norwell, Mass., by Charles A. Engvall, Clergyman.

November 30. Married in Weymouth, Mass., Donald B. Hart of So. Weymouth and Priscilla Merritt of Norwell, by Rev. Richard O. Burns, Clergyman.

December 8. Married in Kingston, Mass., James S. Warren of Wollaston, Mass. and Barbara E. Hall ( Fraser ) of Norwell, by Robert C. Withington, Minister.

December 27. Married in Chelmsford, Mass., Harold Bates of Winchester, Mass. and Evelyn Mildred Scott of Norwell, by Albert J. Chafe, Clergyman.

December 28. Married in Norwell, Mass., James M. Blake and Elizabeth Hartmann, both of Bristol, Conn., by Charles A. Engvall, Clergyman.

**INSTRUCTIONS ON RECORDING BIRTHS**

**PARENTS:** Be sure to Record the Birth of your child, with given name in full.

The Town Clerk tries to have the record of births appear in the Town Report of the year in which the birth occurs. The Towns where the births occur depend on prompt returns from the hospitals, many of which are negligent in their duty to be prompt with returns.

All parents should file a report of birth with the Town Clerk's office as soon as possible after the birth occurs, then some pressure may be brought to bear on the hospitals and towns where births occur to forward birth certificates to the Town Clerk's office so that the record may be complete each year.

All births have been recorded for which this office has received certificates. Those not received in time to record in this Town Report will be recorded next year as Delayed Returns.

If your child's birth is not recorded herein, please notify the Town Clerk's office so that it may be followed up and birth records secured from the various towns and cities where births occurred.

**READ THE LAW!**

"Parents within forty days after the birth of a child, and every householder within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such a child is born."—General Laws, Chapter 64, Section 6.

**Some of the Many Reasons Why Births Should be Recorded :**

- To establish identity
- To prove nationality
- To prove legitimacy
- To show when a child has the right to enter school
- To show when child has the right to seek employment under the child labor law
- To establish the right of inheritance of property
- To establish liability to military duty, as well as exemption therefrom
- To establish age and citizenship in order to vote

**DELAYED RETURNS****1961 DELAYED RETURNS OF BIRTHS**

Kathleen Ann Kerwin

Born November 12, 1961, in Milton to William Francis Kerwin and Shirley M. ( Caristi )

Patricia Margaret Gates

Born December 12, 1961, in Quincy to John Howard Gates and Anne Marie ( Frame )

Holly James Kelly

Born December 13, 1961, in Quincy to Thomas Gerald Kelly, Jr. and Marjorie Ann ( Steves )

Russell Jackman Gardner, Jr.

Born December 13, 1961, in Quincy to Russell Jackman Gardner and Doris Ellen ( Smith )

## SUMMARY

114	Births Recorded in 1962	58	Deaths Recorded in 1962
48	Marriages Recorded in 1962	4	Delayed Returns of Births, 1961
7	Brought into Town for Burial		

## ENROLLED MILITIA

According to Selective Service Regulations a boy should register for Selective Service within 5 days after his eighteenth birthday.

The Local Board No. 129, for this area, is located at 2004 Ocean Street, Marshfield, Mass. The office is open for registration Monday through Friday from 8:30 A.M. to 4:30 P.M.

A boy away from home, working or attending college, may report to the nearest Local Board Office for registration, giving his legal address, and the registration card will be mailed to the local board in Marshfield.

As of April 1, 1962, there were 1035 men between the ages of 18 and 45 eligible for Military Duty, residing in Norwell.

## REGISTRATION OF VOTERS

### *Qualifications:*

Any person who has lived in the Commonwealth of Massachusetts for one year, and in the Town of Norwell for six months, may register to vote.

Some evidence must be presented showing six months residence in Norwell, such as a receipted gas or electric light bill.

If a naturalized citizen, naturalization papers must be presented at time of registration.

### *Time to Register:*

Beside dates set for registration, any qualified resident may register with the Town Clerk any weekday during the year, except Saturday, and those days during which registrations are closed by law.

On December 1, 1962, there were 2833 registered voters in the Town of Norwell.

## REPORT ON STATE ASSESSING SYSTEMS

The town voted, in a Special Town Meeting on May 21, 1962, to instruct the Town Government Study Committee to study the State Assessing System with the Department of Taxation and conforming towns, and to report our findings to the town in the next Special Town Meeting.

Conferences have been held with the Executive officials of the Department of Taxation, department manuals have been obtained and studied, and we have visited the Assessors in several towns said to be operating on this system. These visits have been made during the day and in the evenings, involving about six hundred miles of travelling.

The Town of Norwell subscribed to the State Assessing System, but established little or no contact with the Department of Taxation. As a matter of fact, the Department, in answer to a letter offering their assistance, was informed by the existing Board of Assessors that they had no present need of their services. Under these circumstances, and with no experience of our own to work with, the Town Government Study Committee was compelled to obtain information from more co-operative boards in other towns.

The objective of the State Assessing System, as quoted from their manual, is: "Chapter 649 of the Acts of 1955 imposes the duty on the Department of Corporations and Taxations of establishing a uniform system for the assessment of property on the local level." The Act provides that the system shall be such as will be most effective in providing adequate maps for assessment purposes, in maintaining detailed and accurate records of each parcel of property assessed, and generally in producing uniform and equitable valuations and assessments throughout the Commonwealth in accordance with law.

The function of the Department of Taxation, in relation to the State System, as quoted from their manual, is: "However, the Department wishes to emphasize to all municipal officials and to the citizens of the Commonwealth generally that its role with respect to Chapter 649 is to assist, not insist. The installation of the system is an entirely local problem and must be requested by appropriate action of an annual town meeting in the case of a town, or of the City Council and Mayor, in the case of a city."

The policy of the Department of Taxation, in relation to the problem of assessing, as quoted from their manual, is: "The Assessors' most important concern is that all property subject to taxation shall bear its fair share of the tax burden."

As the tax burden, by law, is related to value, the determination of value is the fundamental consideration. This consideration is not primarily a matter of percentages of some selected value; it is a study of what is value. The importance of the percentage concept has been greatly exaggerated, for if applied uniformly it is without meaning or effect. The important and essential determination is what is "value" in matters of property taxation.

The Department of Taxation considers three methods of value appraisal. These methods of approach to value are comparison, capitalization and reproduction cost, less accrued depreciation.

The following is their opinion of the first method — the comparative approach, another name for the estimated or possible selling price:

"In the comparative approach, also called the market data approach, sales and other market data of comparable or nearly comparable properties are used in determining the value of an individual property. This method of appraisal does not readily lend itself to the mass appraisal system vitally necessary for assessment equality in Massachusetts cities and towns. The shortcomings of such a system are too few sales and invalid sales data, also, a similarity of parcels of real property is an individual opinion, inasmuch as no two parcels of real estate can have exactly the same size, shape, location and condition."

The Town Government Study Committee approves this criticism of a value established solely by a possible selling price. We consider it to be responsible for more assessment inequalities, and for these reasons:

1. It is too dependent on ever-changing market conditions.

2. It uses a value agreeable to a selective purchase, but ignores the opinions of many more potential buyers who refuse to pay a possible price. The opinions of the many prospects who will not buy at the quoted price, if anything, is a better estimation of the value, than the opinion of the buyer influenced by his own specific tastes and requirements.

3. It is a limited interpretation of "fair cash value" as there can be a wide spread between the selling price and the "cash value." The real cash value to the seller is what remains from the price after the deductions of all unavoidable expenses incidental to the sale, such as selling commission, legal fees, possible capital gains tax, moving expense, possible storage costs and the replacement of those unmovable furnishings which influence the selling price. Tax share inequities are unavoidable in the comparative selling price method, as these factors are not equal proportions of all sales prices.

4. Selling price valuation is based upon the presumption that every house could be sold at comparative prices established by very limited sales. This is not true. Obviously, the offering of more houses for sale in any community at the same time will depress all prices.

5. It assumes that selling prices are constant. This is not true. An owner may live many years in an area of declining value and pay high taxes for many years, but will obtain a low price at the time of the sale. This has happened in many areas. Many fine old homes taxed for high value for many years have finally sold at discount prices.

6. In effect, it creates a variable tax rate in each community. If a house in one section of the town is taxed higher than a similar property in a different location simply because it is situated in a specific area, then we have a violation of the principle of equal distribution of the tax burden. An owner on "B" Street should not have to pay a high tax for the use of a 20 x 30 living room than an owner on "C" Street with the same accommodations, simply because prices for homes for the time being seem somewhat higher on "B" Street.

7. It penalizes the owner protecting and improving the exterior and interior of his property, thus maintaining high resale value. It favors the careless or indifferent owner allowing his property to depreciate, resulting in a lower resale value.

Other examples could be given to demonstrate possible inequities, by using the so-called market or selling price valuations as the principal basis of taxation. In practice, a market assessment too frequently is only a rough approximation based upon a superficial examination of a possible price estimation to be paid by an imaginary selective buyer to a fictitious seller.

The second method considered by the Department is the capitalization or income approach.

"This approach is based on the theory that the value of an item of real property is no more than the monetary return expected from that property when placed in its highest and best use. The problem of obtaining income data and selecting a proper capitalization rate, as well as the entrance of such variables as economic instability, management, 'good will' into the appraisal makes this approach unsuitable for mass appraisal purposes." Again, we agree with the Department in the criticism of this method for these reasons :

Suppose an owner of a business offers very satisfactory service and has good patronage, and therefore enjoys an income, and we establish his tax on this basis. Now, suppose he loses key personnel, patronage falls off—which it can, for many reasons, and he loses

money or makes less. Do we reduce his tax? Are we taxing properties or business management?

We have income taxes to tax the profits of these enterprises. Is an owner's share of the cost of town government proportional to his ability and willingness to serve the public, often by his own personal efforts and ability? Must he pay a higher tax to the town because he is willing to work harder, longer and more courteously than a less profitable proprietor? Do we examine the profits that the electric and gas companies take out of Norwell, and establish their tax accordingly? Such a basis for the sharing of the burden of town government can hardly be considered equitable.

The third method, using replacement cost as the principal basis of value is considered most equitable by the Department of Taxation.

"The reproduction cost less accrued depreciation approach to value is best adapted to a mass appraisal program, since it is largely a factual approach. It does not depend on a large staff of highly trained appraisers and technicians, but rather on guides and standards based on such known data as labor and material costs."

Here we have the application of logic and reason, and the most equitable distribution of the tax burden, as long as we use property values as the basis of taxation. We approve of this method as it compares the usability of a home or any structure. It is free from the inequities of location, variable selling prices, care and maintenance, personal abilities, prejudices and impressions, and is based upon easily obtained comparative facts and uniformity of appraisal.

The principle is comparatively simple. A foundation square foot measurement of the house or building is taken, and from a table provided by the Department, a per square foot cost is applied to compute the basic comparative cost of reproduction. These square foot cost tables are provided for the basic types of houses, as influenced by size, and include data for secondary structures, such as porches and garages. To this basic cost of reproduction are added unit costs for extra facilities, such as additional bathrooms, etc., and the cost of missing, basic essentials such as central heating, etc., are deducted. The total is then subjected to a depreciation factor from a provided table.

Let us take a simple example. Suppose you own a Grade B house, 30 x 22, 1-1/2 stories with basement and two-car attached 24 x 20 garage, and with one bathroom; From provided tables the

Base price for this type house in this size is	\$19.31 sq. ft.
Insulation is an extra	.41 sq. ft.

\$19.72 per sq. ft.

You have 660 sq. ft. ( 30 x 22 ) at \$19.72 =	\$13,015.20
480 sq. ft. garage 3.32 =	1,593.60
Oil Burner	364.00
Fireplace	189.00
Tiling in Bathroom	270.00
Cost of Reproduction	15,431.80
Less 20 % Depreciation ( If ten years old )	3,086.36
Comparative taxable value	\$12,345.44

With such basic reproduction costs, subject to additions, deductions, depreciation and possibly some secondary consideration of selling prices, we can expect equity.

Record cards are available to record the necessary data on each property and office clerks can carry out the computations. Here we have uniformity, factual comparisons and complete comparative recording.

Land is valued in a similar manner. All general types and classes of land are assigned unit costs determined by land values in the area. Then each plot is valued by multiplying the area by the classification unit cost and an addition is made for frontage footage on accepted roads. Record cards are also available for land valuations.

The towns we visited were approximately our size and all but one of these used this system with simplifying modifications. The State cards and tables include considerable specific details to provide for any preferred degree of valuation refinement. All, however, retained the fundamental principle involving the type of structure, size, basic unit costs with additions and deductions, and all found such considerations within the capacity and competence of their Assessors. The system seems most satisfactory to the taxpayers, even when reduced to its simplest form, as there were few complaints and very few requests for abatements in any of the towns we visited.

The Town of Rehoboth is an example of its effectiveness. Recently the town experienced a revaluation program by a reputable company and their methods and record cards were very similar to those recommended by the State Department of Taxation. There were very few requests for abatement and now the town has a complete record of every property, assessed and valued uniformly. New properties can be brought back to the same unit costs as were used during the re-

valuation program and the problem of assessing should be quite simple for the near future. They need only to be concerned with the changes made in the older properties and the assessment of the comparatively few new ones. This leaves the Assessors free to reconsider specific problem cases and rapidly changing land values and to perfect the techniques of continuity.

We recommend that our Assessors accept and use the general principles and procedures of the State Assessing System if this is possible, considering the condition of our own records, and for the following reasons :

1. The assessing section of the Department of Taxation is in the development state. Without question it shall be expanded and its services in the future should prove beneficial.
2. A state system can develop uniformity in assessing, wherein all towns can profit from the experience, accomplishments and mistakes of other communities. The system becomes a common denominator.
3. It can arrange for the appraisal of properties beyond the knowledge of the usual town Assessors, such as an industry, public utilities property or any unusual situation.
4. It eliminates the prejudices and weakness of any individual Assessor as the rules for appraisal are established and need only to be applied and not created.
5. It provides continuity uninfluenced by changes in elected officials as it is an established system of operation.
6. This division of the Department of Taxation can become the central agency for the distribution of accumulated experience information and from such information can advise, examine, improve, test and recommend any needed changes in our procedure.
7. The actual cost of participating in the State System is low, and the acceptance and use of the System's valuation methods should preclude any need of costly, overall revaluation programs by local Assessors or professional organizations.

## 1962 REPORT OF THE HIGHWAY SURVEYOR

To the Citizens of Norwell:

I submit my Annual Report for the year of 1962 concerning the activities of the Highway Department.

We started our maintenance work by cleaning the catch basins, gutters and waterways, and cleaning sand off corners and roadways. This work is done under Chapter 81, and a breakdown follows this report. I would like to say that we have had a great deal of sand to clean up because of the hard winter we had. This all takes time because we do not have a machine to do the work. Therefore we can only plan on picking up the sand where we are going to do surface treating, and of course the corners. If the townspeople wish to have a more complete removal of sand, more money will have to be included in the Budget. It has not been included in this year's Budget.

The Chapter 81 work is completed and was done under the direction of the Department of Public Works at the Middleboro office, as is all highway construction in Norwell, including the Southeast Expressway. It was through their cooperation that Norwell was able to reopen River Street after traffic had been detoured around Stetson Road since Spring.

It appears that by late Summer of 1963 the Southeast Expressway will be opened and this will leave us with two dead-end roads, Stetson and Pine. We will then have a Stetson Road and Pine Street running off River Street too. I mentioned in my 1961 report that it was my hope that either the service roads or the dead-end roads be renamed to avoid confusion, in case of an emergency. To date I know of no action on this matter. These roads, upon completion of the Expressway, will be turned over to the Town and included in our road system.

The Chapter 90 project on Main Street, that was scheduled to start at the Hanover town line at Jacobs Lake, never did materialize. It has been held up in the layout stage. The State was also delayed because of this trouble. This should be cleared up and on the drawing board as soon as we get the approval.

As you can see the year of 1963 will be a busy one for the Highway Department. The Chapter 90 funds for 1962 and 1963 will complete the reconstruction of Main Street from the Hanover line to South Street, barring any unforeseen delays. We will again

have the expert help of the Department of Public Works at Middleboro, along with the Plymouth County Commissioners who drew up the plans. The plans show all lots, lines of Public Ways, and is a plan that the Town couldn't have had done for less than \$5,000.

The special Articles that were approved at the last Annual Town Meeting were carried along as far as possible, with the money appropriated.

The sidewalk in Norwell Center was hot-topped.

The mix-and-place jobs of 2 1/2" were completed. River Street was completed from the W.B. Ford residence to the Wyllie residence - a distance of 2,205 feet. The surface on Prouty Avenue, 900 feet, and Duncan Drive, 1,500 feet, were completed in July. This year I am asking for funds to finish Wendall Avenue, Douglas Avenue and Leigh Road. This would complete the resurfacing of Jacob's Lake Shores roads, taking a total of three years. I am also asking for funds to complete River Street from the W.B. Ford residence to Norwell Center. The damage caused by the installation of water mains would be taken care of by this work, and we would also widen the road surface in front of the First Parish Church.

We took delivery on a new loader and backhoe last May and are very pleased with the machine. It has done more work for the Drainage Committee and the Water Department than it has for the Highway Department, but with a long Winter ahead I'm sure it will prove its value to the Highway Department. It will load sand, clear heavy snow and do just about any other job that might come our way. This machine has helped us put in approximately thirty-five water services for the Water Department. We also removed about 430' of pipe from the Pleasant Street Bridge section of the Southeast Expressway. The Highway Department and the Water Superintendent did this by working nights and Sundays while the Expressway contractors weren't there. We stockpiled the pipe for future use. I would like to mention here that having a Water Superintendent is a step in the right direction towards further departmental cooperation.

The Highway Department is still storing its equipment in a wooden building, 32' x 36', on Cross Street. We are paying \$600 a year for the use of this building. As much as space will allow, we keep all our tools and equipment there. It is very difficult to have equipment and materials stored in about six different places around the town, but because of the space problem it has to be done. The Highway Department does not even have a place of its own to store books, plans and other equipment. If and when we ever get a Town Garage I would suggest that it be located somewhere near the geographical

center of Norwell so that we may serve all sections of Norwell at the least possible cost.

I wish to express my sincere thanks for the cooperation of all the Town Officials, the various committees and Departments, and to the citizens of Norwell with whom and for whom I've had the pleasure of working this past year.

Respectfully submitted,

E. ARNOLD JOSEPH

Highway Surveyor

## CHAPTER 81 FINAL REPORT FOR THE YEAR 1962

## REPORT OF THE PLANNING BOARD

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

The Planning Board has had an active year. In March, Theodore R. Love was elected to fill the vacant five year term and Richard A. Housley to fill the remainder of the term of Gilman Wales who resigned. George E. Joseph, Chairman, resigned from the Board on October 1, 1962. Ralph H. Coleman was elected Chairman and at a joint meeting with the Selectmen, Janice A. Litchfield was appointed to fill the remainder of Mr. Joseph's term which expires in 1963.

### Subdivisions and the Subdivision Control Law

During the year the Planning Board has examined and endorsed approximately forty-five individual lot plans which were not subject to the subdivision control law. We have examined, revised, and in cooperation with other Boards and Committees, passed upon three preliminary plans of subdivisions. We have arranged and held public hearings, examined final definitive plans, and, working with other Boards and Committees having jurisdiction, have acted upon three subdivisions which have passed from the preliminary to the definitive stage during the year. Of these, two have been given final approval and one will have a public hearing in January.

There is now in the Town one subdivision containing fifty-three lots which is still in the preliminary stage; seven subdivisions containing 282 lots for which the final definitive plans have been approved and which are in various stages of construction; and one subdivision containing 22 lots, submitted for final approval in January.

This detail work, coupled with preparation, execution and release of covenants, construction agreements, and performance sureties for active subdivisions has occupied about three-quarters of the time available during the regular weekly meetings.

### School Sites

The annual pre-school census and the accelerating growth of the Town show the need for additional classrooms at the rate of four or more per year, which must be met by additions to existing schools or by the construction of new schools. The only elementary school expansion presently feasible is the addition of six rooms at the Cole

School which would be outgrown before it could be completed. A new school site is mandatory and has been given the highest priority.

Several potential sites have been scrutinized to the best of our ability. Working with the School Committee and the Permanent Building and Maintenance Committee we have settled upon a site which we will present to the annual Town Meeting.

The General Plan calls for additional school sites which should be acquired in anticipation of need. We will continue to study and compare the predicted and actual growth of the town and will endeavor to present additional proposed school sites in the near future.

#### Town Garage Site

The Planning Board is of the opinion that whatever direction the development of the present Town Center may take, the presence there of the Town Garage will add nothing to it. It is a necessary adjunct to Town Government which would probably be objectionable wherever located unless sufficient space is provided for proper screening. One solution for this recurring problem will be presented to the annual Town Meeting.

#### Zoning By-Laws

Review of the Zoning By-Laws and their relation to the best interests of the Town must be made regularly. We are preparing for inclusion in the Warrant for the Annual Town Meeting articles which, based on experience to date, appear to be needed to clarify the Zoning By-Laws.

#### General

Other well-recognized needs of the town are plans for the acquisition of land for other town departments; enlargement or development of the present Town Hall and its parking area; and sites for recreational purposes.

The present growth of the town is by individual construction on present streets and by scattered subdivisions with no planned relationship, one to the other. This type of growth, replete with dead-end and non-connecting streets may be inevitable but should not be accepted without some study and attempted guidance.

Layouts for new connecting streets should be studied, layouts of County Roads should be made and objectionable curves in present roads should be eliminated on paper, though not necessarily on the ground, before the possibility for such planning is blocked or made inordinately expensive by new construction.

These and other problems demand the continuing attention of the Planning Board.

Respectfully submitted,

RALPH H. COLEMAN, Chairman  
CHARLES W. BAYLEY, JR.  
RICHARD A. HOUSLEY  
JANICE A. LITCHFIELD  
THEODORE R. LOVE, Clerk

## Annual Report of the Civil Defense Agency

During the past year we were again alerted to a war scare which proved once more how inadequately we are prepared in Norwell for a serious war or natural disaster situation. With the exception of the Civil Defense Headquarters area in the basement of the Elementary School, which through the courtesy of the School Department is now being enlarged, we have no adequate public shelter areas.

Given any advance warning, the plans call for the immediate evacuation of the schools. Time not permitting the use of busses, the pupils are to head for home over the shortest route possible. This inevitably leads to the fact that individual homes should be prepared for emergency care of the family for a period of at least two weeks. Efforts have been made over the past few years to supply home owners with information as to adequate provisions being made for "home care." The food reserves in the Town are very limited as Norwell has no large stores. Our Civil Defense Medical Unit is being brought up to date but the supply of doctors and nurses in town during any emergency would be very limited. Efforts are being made to improve our "in-town" communications set-up which would have to operate from C.D. headquarters as the Communications Center in the Town Hall might well have to be abandoned because of inadequate shelter. Also, the Police and Fire network is County-wide and is very overcrowded during emergency situations.

The Auxiliary Police continue active in training programs and have assisted the Police and Fire Departments on many occasions during the past year.

The ambulance is proving a valuable asset to the Town and has made seventy-five runs during the year as well as having been called on a stand-by basis on numerous other occasions. The financial returns, to date, have proved slightly higher than the costs. "We are most grateful to Mr. Frank MacFarlane for permitting us to keep the ambulance in his garage on Main Street for the past year."

The Communications Center has again had a very active year and the operators have handled all emergency calls most expeditiously and capably. There can be no doubt of the tremendous value of this operation to the residents of Norwell as well as to many non-residents who have had accidents or illnesses in our Town. We are all greatly indebted to the operators who are doing such an excellent job, night and day, in maintaining this most vital service.

When things are rough, in storms, hurricanes, etc., we find that residents expect a great deal from such organizations as Civil Defense and our object is to be as capable as possible with a limited budget and a volunteer organization. If we were to be subjected to a war-caused disaster our problems would be overwhelming. We count on continued backing from the residents so that when "the chips are down" we can do as good a job as possible.

Respectfully submitted,  
W. CLARKE ATWATER,  
Director

REPORT OF THE DOG OFFICER

To the Selectmen of the Town of Norwell  
Gentlemen :

I herewith submit my report as Dog Officer for the Town of Norwell for the year 1962.

Stray dogs picked up . . . . .	12
Dogs disposed of and buried . . . . .	3
Badly injured dogs picked up . . . . .	3
Dead dogs picked up and buried . . . . .	3
Complaints investigated . . . . .	17
Dogs returned to owners . . . . .	12

Please DO NOT FEED OR TAKE STRAY DOGS INTO YOUR HOME, if left alone they may return home. For all dog complaints call: 659-2314.

Respectfully submitted,  
ROBERT L. MOLLA, SR.  
Dog Officer

## Report of the Conservation Commission

To the Citizens of Norwell:

At the Annual Town Meeting in March, 1962, the Town voted to accept a new Zoning By-Law establishing a Conservation District for the tidal marshes on the North River. Similar Articles were adopted in Scituate and Marshfield. We believe this action not only demonstrated the public concern for conservation but illustrates how such measures can protect the immediate interests of the public today, as well as for years to come.

This year, at the Annual Town Meeting, your Commission is asking for an appropriation to be made from the Conservation Fund to purchase some twenty-five acres of marsh and upland at King's Landing on the North River. It is hoped that a boat launching ramp and swimming area will be developed on the River, with parking and camping facilities provided on the upland acres. It is planned that use of this area would be restricted to Norwell residents only. State funds are available to defray 50% of the cost of purchase and development of this property.

For the past two years the town has wisely voted to appropriate the maximum amount allowed by the State (one-twentieth of one per cent of the town's Real Estate valuation) for the Conservation Fund. Once again we are asking for the maximum and hope that the voters will understand why it is to the town's advantage to appropriate this amount every year. For example, if the town had not voted the maximum amount for the past two years, we would not be in a position to ask the State for a fifty per cent return on the money to purchase and develop the property at King's Landing.

While final disposition of the Cohasset Naval Annex has not yet been made, we are confident this area will be taken over by the State Fish and Wildlife Department. This would mean that the 540 acres of Norwell land lying in the Annex at present would become part of a 3200 acre public wildlife preserve. Members of the Commission have attended numerous meetings throughout the year with representatives from Hingham, Cohasset and Scituate, relative to the disposition of the Annex. We are unanimously in favor of such a preserve and are actively supporting the Fish and Wildlife Department's proposal.

Mr. and Mrs. John Bond of Old Oaken Bucket Road have offered to give to the town a strip of land along First Herring Brook for Conservation purposes. The Commission has arranged for the

land to be surveyed and this strip will soon become the first part of a hoped-for green belt all along this brook as it flows through Norwell.

In the spring, the Commission plans to put up a picnic table, benches and trash containers on the small plot of land between Jacob's Pond and the Little League Field.

For one reason or another, the original seven-member Commission was reduced to two members earlier in the year, but it is now at full strength. We would welcome any suggestions or comments from interested citizens.

Respectfully submitted,

TIMOTHY FULLER, Chairman  
DAVIDA GARCEAU, Clerk  
STANLEY N. BAKER  
KATHERINE E. CRANTON  
ROBERT CURRIE  
ARTHUR MERRITT  
WESLEY H. OSBORNE, JR.  
RICHARD A. HOUSLEY, Ex-officio

**PLYMOUTH COUNTY AID TO AGRICULTURE**  
(Plymouth County Extension Service)

**BY**

**Robert B. Ewing, County Agent-Manager**

A review of last year's report would show that an attempt was made to answer the question - "What is the Extension Service?" The report stated that in 1914 Congress passed the Smith-Lever Law which clearly stated, that the Extension Service shall "aid in diffusing among the people of the United States useful and practical information on subjects relating to Agriculture and Home Economics, and to encourage the application of the same".

The Extension Service has always been known as "the educational arm" of the United States Department of Agriculture and the title "Cooperative Extension Service" is used because Federal, State and County Governments cooperate in furnishing this service to the citizens of Plymouth County. Each year agreements are written between the United States Department of Agriculture, the University of Massachusetts, and Plymouth County.

Since 1915, when the Plymouth County Extension Service was organized and established, educational information pertaining to Agriculture, Home Economics and 4-H Club Work has been given free to citizens of Plymouth County.

Although methods may change with the times, the basic job of the Extension Service remains the same, and that is, as the 1914 Law states, "to aid in diffusing among the people of the United States useful and practical information on the subjects relating to Agriculture and Home Economics and to encourage the application of the same".

The Extension Service office is located in the Court House, Brockton, Mass. and is staffed by agents who conduct programs in Agriculture, Home Economics and 4-H Club Work by furnishing educational information through farm and home visits, letters, newspaper articles, radio talks, meetings, office visits and telephone calls.

Federal, State and County government funds are used for conducting the Extension Service programs. Along with these funds, most towns in Plymouth County make an annual appropriation which is used for the general expenditures of the Plymouth County Extension Service. Town Directors are appointed in those towns where an appropriation is made. These Town Directors are unpaid volunteer leaders who serve as the Extension Service representative in their respective town.

All citizens should make full use of their Extension Service as it is supported by the Federal, State and County Governments. It should be remembered that while the Extension Service furnishes the information it is up to the individual citizen who receives this information to decide how it can be used to best advantage.

Requests for information can be directed to the Plymouth County Extension Service, Court House, Brockton, Massachusetts.

The Board of Trustees, appointed by the Plymouth County Commissioners, administer the Plymouth County Extension Service program and is composed of the following members :

MR. JOHN PRENTICE, Plymouth,  
Chairman  
MRS. ELVA BENT SWARTZ, Brockton  
MR. LEWIS BILLINGS, Plympton  
MRS. MABEL CHANDLER, Duxbury  
MR. JOHN DUFFY, Halifax  
MRS. GLADYS GIBBS, Hanover  
MR. ROBERT HAMMOND, Wareham  
MR. JOHN HOWE, West Bridgewater  
MR. JOHN W. LITTLE, Marshfield

## Report of the Fire Department for the Year 1962

The Board of Fire Engineers submit to the Board of Selectmen and the Citizens of Norwell the following report covering the activities of the Fire Department for the year 1962.

The Communications Center handled 2,297 calls for the Fire Department from January 1, 1962 through December 31, 1962. These calls consisted of the following:

Building Fires (includes electrical, chimney and burners )	37
Grass and Woods Fires	74
Dump Fires	16
Automobile Fires	7
Mutual Aid Received	7
Mutual Aid Given	17
Miscellaneous Fire Calls (includes standbys )	49
Smoke Investigations	55
Resuscitator Calls	9
Lost Persons	5
Fire Permits	1598
Miscellaneous Phone Calls	428
	<u>2,297</u>

The Department this past year has added additional vital equipment to carry on its ever-increasing emergency needs.

We wish to thank the officers and men of the three companies for their time spent in training to keep the Department in its top efficiency.

Respectfully submitted,

WARREN P. MERRITT, Chief  
 LORING L. WADSWORTH,  
 Deputy Chief  
 T. CURTIS POWER  
 JOHN J. WINSKE, JR.  
 JAMES T. KING

## Report of the Zoning Board of Appeals

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

In February, 1962, Mr. Frederick R. Hart, Jr., Chairman of the Appeals Board, resigned when a business transfer made it necessary for him to move from Norwell. Mr. Stanley H. Richards then assumed the duties of Chairman, and Mr. Edwin R. Trafton was appointed to fill the unexpired term of Mr. Hart.

Although only six hearings were scheduled during the year, the Board had many other inquiries regarding variances.

Following are the hearings scheduled and the action taken on same :

1. Harold E. & Katherine Cranton  
For permission to erect a dwelling on a lot having insufficient frontage. Petition withdrawn.
2. Campbell Brothers - Hilltop Service Station  
For permission to construct an addition to present building. Petitioners failed to appear.
3. Skaidrete S. Brazelis  
For permission to erect a dwelling closer to the way line than the Zoning By-Law allows. Petition denied.
4. Edith E. MacDonald  
For permission to erect a dwelling on a lot having insufficient area. Petition denied.
5. Stephen Vlachos & Clyde Moran  
For permission to utilize a lot having insufficient frontage. Decision pending.
6. Frank Gonsalves  
For permission to place a dwelling on a lot having insufficient area. Decision pending.

Respectfully submitted,

STANLEY H. RICHARDS,  
Chairman  
EARLE M. NEWTON, Secretary  
EDWIN R. TRAFTON  
HENRY J. WALTER  
H. JAMES GORMAN, JR.

## REPORT OF SEALER OF WEIGHTS & MEASURES

To the Board of Selectmen :

Gentlemen :

Weights and Measuring laws have been strictly enforced throughout the year.

Inspections have been made of all stores frequently that have measuring devices. The buying public should at all times observe weighing and measuring devices while purchasing, and report any violations to me.

Reweighing of food put up for sale has been made by me on many occasions.

Oil in auto trucks needs attention, also coal in trucks. Pedlars must have licenses and this has been checked by me.

Following is an account of work performed by me and an account of fees collected.

Pedlars' Licenses Inspected	1
Weighing and Measuring Devices Sealed	70
Weighing and Measuring Devices Not Sealed	0
Weighing and Measuring Devices Condemned	0
Weighing and Measuring Devices Adjusted	2

Reweighing :

Total Tested	349
Total Correct	328
Total Incorrect	3
Total Overweight	18
Complaints Received	0
Telephone Calls Received	12
Scales Found Not on Zero After Sealing	3
New Work Performed	4
Sealing Fees Returned to Town Treasurer	\$62.85

Respectfully submitted,

JOHN D. DICKMAN

Sealer of Weights and Measures

## REPORT OF THE NORWELL VISITING NURSE ASSOCIATION, INC.

To the Board of Selectmen :

The program from January 1 to December 31, 1962, has been as follows :

1. Home Nursing Care.
2. Well Child Clinics.
3. Hospital beds, crutches, wheelchairs, commodes, etc., made available to all the townspeople. No charge made for sickroom supplies.
4. An automobile for nursing service and for use by the School Nurse was available.
5. Maintenance of Health Clinics.
6. Charity.
7. Award of the Annual Nursing Scholarship in 1962 to Miss Sandra Erickson, who is training at the Children's Hospital in Boston, Mass.

Home Nursing Care is ably staffed by Miss Catherine Roe and Mrs. Ruth Lantery. Mrs. Doris L. Bartels resigned from Home Nursing work because she moved from Norwell. The board members feel very fortunate in having Mrs. Lantery take over the nursing care during Miss Roe's vacation, sick leave and assisting in the more active weeks of school.

The Well Child Clinic meets on the fourth Tuesday of each month at 1:00 P.M. Appointments are necessary. For information and appointments call Mrs. Harold King, Oldfield 9-2804. Dr. Alice Butler, Pediatrician, is assisted by Mrs. Harold King and Mrs. Francis Dyer. Mrs. James Robertson is Chairman of Transportation. Do make use of our clinic.

The Annual Membership Drive with Mrs. Theodore Dyer, Chairman, and Mrs. Harry L. Chase, Jr., Assistant Treasurer, in charge, brought a welcome response.

New equipment, both for the annual Rummage Sales and for sickroom needs, has been purchased. It includes one new, low hospital bed with mattress and side bars, mattress covers, crutches, one bedside tray with reading rack and one trapeze which is a "patient's helper."

Gifts of many useful articles have been received, including one used wheelchair and a new wheelchair, new canes and a covered

rubber cushion. All of these items are in almost constant use.

Four Board Members resigned this past year. They were Mrs. Philip Young, Mrs. Edward Keefe, Mrs. Thomas Barstow and Mrs. Ernest Haskins. Four new Members have been appointed to fill the vacancies until the Annual Meeting, when they will be voted in as regular members. They are Mrs. Gentry Clark, Mrs. Harry L. Chase, Jr., Mrs. Richard Gaudette and Mrs. James Robertson.

Extra retirement insurance for Miss Roe, and Mal-Practice Insurance, which will cover any nurse employed by the Visiting Nurse Association, has been acquired this year.

The officers and board members wish to thank all of the people who so generously contribute to our Rummage Sales and to the Annual Membership Drive. The amount of rummage material delivered to the "old shop" at Sparrell's ahead of these dates is a great help.

The Annual Meeting and Tea will be held at the Parish House in Norwell Center on Wednesday, March 6, at 2:30 P.M. Mrs. W. Clarke Atwater will be the Tea Chairman. Our speaker will be Dr. Marion Wier. Her subject will be "Project Hope in Asia," with pictures of the voyage of the S.S. Hope. All are invited to attend.

The Treasurer's Report, which follows, shows the sources of income and expenditures.

Anyone in need of nursing care, call OLdfield 9-2342 before 9:00 A.M. or before 1:00 P.M. For hospital equipment, call OLdfield 9-2894.

Respectfully submitted

GRACE L. SPARRELL, R.N.

President

**REPORT OF THE INSPECTOR OF ANIMALS**

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

As Inspector of Animals for the Town of Norwell I have completed my duties for 1963 and report as follows :

Inspected barns and reported same to the State.

Reported to the Division of Livestock Disease Control the census of animals in the Town of Norwell.

Quarantined and released approximately twenty dogs.

Respectfully submitted,

RICHARD E. CUGNASCA, D.V.M.  
Inspector of Animals

**REPORT OF THE TREE WARDEN  
AND MOTH SUPERINTENDENT**

To the Citizens of the Town of Norwell :

I wish to take this opportunity to submit the annual report of the Tree Warden and Moth Superintendent.

This year, as voted in the Annual Town Meeting, the Tree Department acquired a new truck. The truck was delivered in August and has worked very well in all respects. This truck is also used to plow snow under the supervision of the Highway Surveyor.

Seventy-five additional roadside trees were planted this year, ranging in size from small flowering species to the larger-growing types. There are plans for an increase in the planting program during the coming year.

Approximately fifty diseased Elms were removed from Norwell roadsides this year. Although control measures reduce the number of trees that are lost, there is no way to stop the infection of Dutch Elm Disease. Therefore, every Elm Tree in this area can succumb to this disease at any time.

Mr. John Burns, who has worked for the Tree Department for twelve years, retired this year. His services in the past were very much appreciated, and the town has lost a faithful employee. We wish him well in his retirement.

The North River Gardeners did their annual project at Gaffield Park this year. This consisted of clearing brush and removing dead trees. This work resulted in establishing an excellent pine grove in the park. There are plans for several picnic tables to be placed here. This is an excellent area for a family picnic, and is located in the section which is bounded by Forest Street, Forest Avenue and River Street. All residents of the town are invited to use this facility. The monies used for this work were furnished by the North River Gardeners.

In closing, I wish to thank the other town departments, all of which cooperated with the Tree Department.

Respectfully submitted,

WESLEY H. OSBORNE, JR.  
Tree Warden and Moth Superintendent

## REPORT OF THE BOARD OF WATER COMMISSIONERS

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

The following is the Water Board Report for the year 1962.

During the past year the Water System has functioned in a satisfactory manner.

	1961	1962
Water pumped	90,000,000 Gals.	95,700,000 Gals.
Number of takers as of Dec. 31, 1962	848	901
Services Installed	45	51 By Town* 9 By developers
Pumping Stations in Operation	2	2

\*Does not include services installed by developers to unoccupied houses.

At the 1962 March Meeting the Town voted under Article 17 to install a water main on Old Oaken Bucket Road. The installation proceeded with a minimum of expense, thus making it possible, with the use of new and retrieved pipe, to extend the new main beyond the planned termination point. Additional homes that were in desperate need of water were therefore connected to the system. In accord with the Water Main Extension Report submitted to the 1958 Annual Town Meeting, the Town voted, under Article 18, at the 1962 meeting to install a water main on Norwell Avenue. This work is substantially completed and is the second step or section of a loop connection designed to connect the existing main in Norwell Center with the mains in Washington Street at the intersection of Grove Street.

This loop installation is needed to effect a two-pipe feeder system and to deliver a greater volume of water to the western area of the Town. To continue this project according to the yearly schedule as indicated in the Report, the Board is submitting an Article in the 1963 Warrant for the laying of a main on Grove Street.

During the year approximately two thousand feet of water main was installed on Summer Street by a developer at no cost to the Town except for the cost of inspection and the furnishing of two hydrants. Such installations cut the general expansion cost and increases the area served by the system.

Testing for new water sources was continued during the year. This testing effort was for the most part conducted in the area north of Grove Street between Washington and Prospect Streets. Although additional testing is needed before a final determination can be made, it now appears that although there is a large water resource here, only the western section of the area contains additional potential water sources suitable for a public water system.

Also during the year a new well site north of Grove Street but remote from the existing Town well was tested and subsequently approved as a public water source by the Massachusetts Department of Public Health. The Board plans to submit an article at the coming meeting to ask for an appropriation to add to the existing funds for the installation of equipment to put the new well into operation.

The pipe connecting a building with a street main is called a service connection. Such a connection is installed by the Town each time a building is connected to the system. Until the past year the excavation for this work was done by hired personnel and equipment. However, during much of the past year the recently purchased Highway Department's combination tractor loader and backhoe, operated by their personnel, was used, thus facilitating the work.

We wish to invite any interested townspeople to our weekly meetings.

The Board wishes to express its appreciation to other Town Boards and Personnel for the cooperation they have given this Department during the past year.

Respectfully submitted,

JACOB LEE TURNER, Chairman

EDWARD F. WALSH

AUGUSTIN J. THIBODEAU

Board of Water Commissioners

## REPORT OF THE BOARD OF ASSESSORS

During the past year further work has been done on the Equalization Program. Further study and evaluation of land values will be done.

As a note of interest indicating the increased amount of routine work in the Assessors' Office on Motor Vehicle business alone, the amount of Motor Vehicle Excise Tax assessed has increased yearly at the rate of 10%.

On March 17, 1962 Mr. John L. Crowley was elected to the Board of Assessors. On May 19, 1962, Mr. W. Clarke Atwater, the then Chairman of the Board of Assessors, resigned due to other commitments. On June 4, 1962, the combined Boards of Assessors and Selectmen voted to appoint Mr. Stanley N. Baker to the office of Assessor until the next Annual Election. On August 4, 1962, Mr. John L. Crowley was elected Chairman of the Board of Assessors.

The Board of Assessors wish to thank the citizens of Norwell for their patience and cooperation.

## REPORT OF THE BOARD OF HEALTH

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

We quote from last year's report of this Board: ". . . sooner or later Norwell will have to have a salaried Health Agent as do many of the surrounding towns. It is hoped that this change can be put off for a number of years as it will add materially to the cost of the department." The addition to the by-laws passed by the Town at a special Town Meeting on September 24, 1962, has forced this change upon us, effective as of January 1, 1963. The passing of this by-law made it impractical, if not impossible, for the Board to continue as it had in the past. It was necessary as of January 1, 1963 that the Board establish the position of "Health Agent" and find a competent person to fill this position on a part time basis at a salary we considered minimum yet adequate for the position. After due consideration the position was offered to, and accepted by, Loring L. Wadsworth, Board of Health Chairman. He resigned as a member of the Board and took over the duties as Health Agent as of January 1, 1963. He has carried out these duties effectively and efficiently and we feel fortunate that he accepted this position.

The new State Sanitary Code, which affects all Boards of Health throughout the state, has also changed many aspects of the Board's duties. The standards set forth in this code must be met with and rigidly enforced. This not only adds to the responsibilities of the Board, but also makes more urgent the necessity of a competent part-time Health Agent. There is little doubt that in the years to come this position will become even more important and that all too soon a full-time agent will become a necessity.

**TOWN DUMP:** For the first time in years we can report that the town dump is no longer a headache for the Board or for the citizens of Norwell. The reasons for this are two-fold. The attendant that we have at the dump is doing his job and doing it well, and he has received cooperation from the townspeople. The dump may never be written up as one of America's beauty spots, however, with effective rodent control programs, and good maintenance, we believe the dump may remain one of which the town may be justifiably proud.

**FINANCIAL RETURN:** As a town grows so grow its expenses. We believe this also has its bright side. Through money collected from sources such as clinics, licenses, permits, State re-

bates, etc., the Board of Health returned to the town treasury in excess of \$6,000. We consider this an excellent return as it represents about thirty per cent of our total budget.

In 1962, the Board met in the only space available, the cloak room. For those citizens who are not familiar with the layout, the Town Offices are on one side of this room, and the rest rooms on the other. It is hoped that before the end of 1963 a more suitable meeting place can be found, preferably one with chairs and a desk.

The Board performed its many functions in 1962 in its usual efficient manner. There seems no necessity for listing all these duties, as they have appeared in many previous reports. We would like, however, to call your attention to the successful polio clinics carried out during the year. In the words of that famous poet, Allan Sherman:

( to be sung to the tune of Aura Lee )

Every time you take vaccine, take it orally,  
As you know the other way is more painfully."

Respectfully submitted,

KATHERINE R. FULLER  
PAUL W. KEEFE

Town Treasurer

## REPORT OF THE POLICE DEPARTMENT

Board of Selectmen  
Town of Norwell

Gentlemen and Citizens :

We have experienced another year of increased calls for service and responsibility. Because of this and the thousands of hours of construction and other private details, I requested an examination for the addition of a sergeant to be made from existing personnel. This examination was given April 28, 1962. The Selectmen requested this appointment deferred until after the first of the year due to lack of funds.

Until now, I have made every effort to use the older members of the department on an intermittent basis in recognition of their faithful years of service. However, I feel we have reached a point where it is no longer practical. It is not fair to ask a man to work from 8:00 P.M. to 4:00 A.M. in the cruiser, with the possibility of a court case next morning, then go to his regular employment with little or no sleep. Therefore I am asking for the appointment of two regular men to supplant the part-time men doing regular patrol.

The Marshfield and Norwell Police departments, the last two in this area working 48 hours, are asking for a 40 hour—five day work week. We feel this is only fair and these hours are generally accepted in business. If this is voted, the police officer still will not be lucky enough to enjoy a weekend off, but must take the days the schedule will allow. This accounts for the appointment of one man.

Last year shows a contradiction of statistics. Our speeding complaints about doubled, but our automobile accidents went down from 70 in 1961 to 44 in 1962. ( We have not had a fatal accident since 1960. ) Our schedule of manpower now permits only one man in the car until 8:00 P.M., then two men until 4:00 A.M. As a result of these speeding complaints during commuter hours, I have requested another eight hours of patrol. This will put two men on the road at 4:00 P.M. in separate cruisers, until after the busy traffic hours. Then the men will ride together during the most dangerous hours, dividing again for the early morning traffic rush. By virtue of our proximity to the Metropolitan areas and their increased crime rate, I think it unwise and dangerous to continue with only one man in our cruiser from 4:00 A.M. until 8:00 A.M.

In summary, this proposal will add four men to the department. A 40 hour week will add one man. Using regular men instead of part-time men will add two more and increased coverage will add one more. Our budget of course, reflects these requests. It shows an increase of approximately \$17,000. At last year's rate this increase represents a little over one dollar on the tax rate. We who are charged with your safety hope you will allow us to supply this additional protection.

The following is a partial list of our activities for 1962 :

Calls received	7,961	Arrests	85
Complaints	1,409	Court Appearances	202
Breaking and Entry	40	Court Complaints	110
Larceny	34	Insane Commitments	4
Prowlers	29	Missing Persons	29
Auto Accidents	44	Ambulance ( Cruiser )	33
Stolen cars	9	Aid to stranded motorists	38
Recovered cars	37	Summons	145
Violations ( 4-way )	316	Family trouble	27
Defective Equipment	401	Accidental deaths	3
Mutual Aid	65	Suicide	1
Investigations	595	Emergency messages	59

Our sincere thanks to you and to all town departments for your cooperation and assistance.

Respectfully submitted,

KENNETH J. BRADEEN

Chief

## REPORT OF THE BY-LAWS COMMITTEE

To the Selectment of the Town of Norwell:

Gentlemen:

The following is the report of the By-Laws Committee for the year ending December 31, 1962:

The By-Laws Committee does not, at the present time, anticipate submitting to the town a "conflict of interest" by-law, because of the enactment of state legislation which should effectively cover Norwell's needs.

The By-Laws Committee wishes to thank the many town officials who have helped us.

Respectfully submitted,

WILLIAM B. SOUTHWORTH,  
Chairman

DAVID LEE TURNER, Clerk

HORACE ROSS

SANBORN VINCENT

ROBERT M. BRODERICK

## REPORT OF THE BOARD OF PUBLIC WELFARE

Board of Selectmen :

Gentlemen :

The number of cases requiring assistance during 1962 was about the same fairly low average of the past few years. The requests under General Relief were very few and the payments small. Old Age Assistance cases decreased somewhat in number due to some cases being transferred to Medical Assistance. There was a decrease in the number of Aid to Dependent Children cases. For the second year we have not had any cases in the Disability Assistance category. This was the second full year that Medical Assistance for the Aged has been operating, and as we expected, there was a slight increase in the number of cases. This increase will probably continue for some time.

An increase in hospital and nursing home rates added greatly to our expenses during the past year and will continue to do so.

Due to an increase in reimbursement on Federal categories of assistance, we have been able to keep the actual expense to the town at about 16% of the total expenditure. For full details see Town Accountant's report.

### APPROPRIATIONS AND RECEIPTS — 1962

Town Appropriation — Board Salaries	\$ 600.00
Town Appropriation — Aid	32,000.00
Balance all Federal Accounts Aid 1/1/62	36,018.24
Receipts added Federal Accounts Aid 1962	25,728.09
Receipts from State Aid 1962 to E & D	12,090.63
Receipts from Other Towns Aid 1962 to E & D	1,360.27
	<hr/> \$107,797.23

### ADMINISTRATION AND EXPENSE

Town Appropriation	\$ 3,000.00
Balance Federal Account 1/1/62	3,210.30
Receipts added Federal Account 1962	4,234.89
Receipts from State	2,075.12
	<hr/> 12,520.31
TOTAL	<hr/> <u>\$120,317.54</u>

## EXPENDITURES — 1962

Aid — Town Account	\$ 31,664.59
Aid — Federal Account ( all categories )	<u>18,364.90</u>
	\$50,029.49
Administration, Expense and Salaries — Town	\$ 3,600.00
Administration, Expense and Salaries — Federal	<u>5,479.86</u>
	\$ 9,079.86
BALANCE — FEDERAL ACCOUNT December 31, 1962	
Aid	\$ 43,381.43
Administration and Expense	<u>1,965.33</u>
	\$ 45,346.76
To E & D Account ( State and Other Towns )	\$ 15,526.02
To E & D Account ( Balance Town Account )	<u>335.41</u>
	\$ 15,861.43
TOTAL	<u><u>\$120,317.54</u></u>

## NET COST TO TOWN:

Aid	\$6,998.84
Administration and Expense	<u>2,769.85</u>
Total	<u><u>\$9,768.69</u></u>

Respectfully submitted,

JOHN D. LINDSAY  
 MINNA R. SENGER  
 RALPH H. COLEMAN, Chairman  
 Board of Public Welfare

## REPORT OF THE VETERANS AGENT

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

Chapter 115, G. L. Commonwealth of Massachusetts provides benefits for qualified veterans and their dependents.

Last year, 1962, thirty-nine applicants were processed by this department. Not all applications are necessarily of monetary nature. This department has assisted Veterans and their dependents with such problems as Veterans Benefits, admittance to Veterans Administration Hospitals, recovery of Veterans discharge and separation papers, Veterans pensions, widows pensions, disabilities, out of State bonuses, employment, and many other problems that Veterans have. There are almost 1,000 Veterans living in Norwell and as they get older they will become eligible for some kind of assistance.

In the past year, 1962, the Veterans Agent has received for the Town the maximum reimbursement from the State, 50 %.

The office of the Veterans Agent is not adequate for its present needs. It is presently being shared with another Town Department. Any agency that works with the welfare of other people should have the privacy of its own office and the proper facilities for keeping confidential records confidential.

To all Veterans in the Town of Norwell, please do not hesitate to call me on any problems pertaining to Veterans.

Respectfully submitted,

LEONARD J. COX

Veterans Agent

## REPORT OF THE PUBLIC HEALTH NURSE

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

Number of Nursing Visits .....	1339
Infant Welfare Visits .....	51
Antepartal Visits .....	15
Postpartal .....	43
Well-child Conferences .....	11
Immunization Clinics .....	12
Tuberculosis Follow-up Visits .....	1
In-service course in Tuberculosis .....	
Conferences with Public Health Officials .....	9

Respectfully submitted,

CATHERINE A. ROE

Public Health Nurse

## REPORT OF THE INSPECTOR OF WIRES

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

The Electrical Inspection Program has completed its first full year of operation. During this period, 176 Permits were issued and inspections made.

This important town service has been well accepted by the home owners and contractors, and we want to thank them for their cooperation.

There are many additional requirements in the new State Code that will be adopted this year. We urge that wiring permits be obtained before any electrical work is started. Inspections can then be made on time to insure compliance and to avoid delays or changes.

Permits and Fee schedules are available at the Town Hall.

Respectfully submitted,

RAYMOND A. HANSEN, Inspector  
J. LEE TURNER,

Alternate Inspector

## REPORT OF THE JAMES LIBRARY

To the Board of Selectmen  
Norwell, Massachusetts

Gentlemen:

Norwell residents have shown continued interest in library activity during 1962, some with ideas for the Suggestion Box, some with both large and small gifts of time and money for new projects, and many, by their eagerness to take home the new books and their thoughtfulness in returning them promptly. Once again everyone joined the youngsters in enjoying the familiar Christmas tree as it expressed the friendly glow of James Library at the community center during the holidays.

Open some of each weekday, the Library serves many publics, school-age and older, through our two devoted librarians, Mrs. Edmund V. Anderson and Mrs. Gustave Roubound, who keep in the closest possible touch with reading tastes and research requirements. Books are lent for use at the schools and students continue to use the library facilities for study and for assigned work projects.

A survey, looking to the future, indicates the value of a new and expanded Children's Department to be located on the second floor and work is beginning, both there, and in areas to be freed, on the main floor. Important structural work on the exterior is completed and plans for brighter lighting and interior color are being carried forward as part of a gradual rearrangement. For special considerations in helping the Library we want to thank our librarians, willing repairmen, the Library Associates, the newly-formed Junior Associates and say an appreciative word, also, for the cooperation of town officials and our many borrowers.

Respectfully submitted,

QUENTIN L. COONS, Chairman  
MILDRED T. HASTINGS, Treasurer  
HARRIET L. MEYER, Secretary  
WILLIAM C. BENNETT  
CHARLES A. ENGVALL  
James Library Trustees

## REPORT OF THE INDUSTRIAL AND DEVELOPMENT COMMISSION

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

Submitted, herewith, is the report of the Norwell Industrial and Development Commission for the year ended December 31, 1962.

Members of the Commission have met with representatives of firms or groups contemplating this town as a site for their businesses.

After having sought and considered advice from others as to the suitability of all areas of the Town which could be set aside for industrial purposes, our Commission, in cooperation with the Planning Board, recommended rezoning an area north of Grove Street and west of Prospect Street to the Hingham boundary line, for industry only. This area contains approximately 370 acres of what we consider the best available land for industrial development in the Town. This was turned down by the voters at the March Town Meeting. Since then, we have met with prospective business firms that would have considered the Grove Street area, but were not interested in Pond Street for reasons of drainage and other problems. We had no other sizable areas to offer.

The development of appropriate small industry in Norwell must be considered as a long-range program, for, with the small amount of suitable land available, we shall, unfortunately, have to wait patiently for other, more desirable areas in adjacent towns to be filled first.

The Norwell Industrial and Development Commission has been short one member for almost two years. We are still awaiting the Selectmen's action on this appointment.

The Commission wishes to publicly express its gratitude to Mr. Loring Jacobs for his assistance and advice when we have met with prospective clients.

Respectfully submitted,

HENRY ABRAHAMS, Chairman  
JOHN E. ANDREWS, Clerk  
CHARLES CROMBIE  
DENNIS F. MEDEROS

## **REPORT OF THE TOWN FOREST COMMITTEE**

The Town Forest of Norwell at the present time is not adequate. It consists of twenty-nine ( 29 ) acres split into three sections in various parts of the town, and in our opinion the acquisition of more land is imperative. Several hundred acres are needed for a town of our size, especially in view of the tremendous growth in population ahead.

The Committee solicits gifts of parcels from the citizens which could be used to amplify our present areas.

Respectfully submitted,

D. FRANK MEDEROS, Chairman  
JOSEPH K. COLLINS  
PAUL C. RASMUSSEN

## REPORT OF THE WILLIAM J. LEONARD MEMORIAL LIBRARY

To the Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

During the year of 1962 the Library has endeavored to keep up with our rapidly growing population. We are doing the best we can in our very cramped quarters. The community has far outgrown the size of the library and a new building is definitely needed. The Library must move to larger, more efficient quarters, but where? We ask the townspeople to give this important matter their serious attention.

We want to thank the Norwell Women's Club for their gift of Science books, also others who have given books of great value. These books have added greatly to our reference shelves. More room is needed for the students to take advantage of them. The study area is tiny and very congested.

Many new books, both fiction and non-fiction, have been added during the past year. We have added many new titles from "Best Sellers" to "Classic".

We are especially indebted to Fire Department Company #2 for their numerous courtesies and services.

Mrs. Robert Carr and Mrs. Thomas Cann will be on hand to help all residents select books for pleasure or research. An invitation is extended to all to visit the library. Hours are Mondays from 2:30 to 4:30 P.M., Tuesdays and Thursdays 7:00 to 9:00 P.M., and Saturdays 10:00 A.M. to 1:00 P.M.

Respectfully submitted,

LORRAINE D. DUTY  
MILDRED M. CARR

Trustees

## REPORT OF THE PERMANENT DRAINAGE COMMITTEE

Board of Selectmen  
Norwell, Massachusetts

Gentlemen :

We respectfully submit the following report of our activities for the past year.

The past year has seen a marked increase in both the number and size of subdivisions submitted to this board for action. These plans, while prepared by competent professional engineers and land surveyors, must be very closely checked for proper design, as the engineering firms are in the employ of the developer whose sole aim is to keep the costs of roadways, drainage and utilities at a minimum; thus, the firms are forced to design within a limit controlled by the developer, rather than limits based on proper design. The function of this committee is to safeguard the town, as subdivision streets eventually become our responsibility for maintenance and care. We must insure that systems installed within a subdivision are adequate, not only within themselves, but that they fit the overall picture as far as expansion and integration with our existing system, as well as with our future systems.

The work involved in checking these plans is technical and professional. In the past this was undertaken by those members of the committee whose experience and available time made this possible. Now, however, the workload is so heavy that the demands involved in this area pose a hardship. We are reluctant to award this work to engineering firms because of the costs involved; the standard hourly rate for this type of work is ten dollars an hour. Our annual allotment of funds would quickly be dissipated in this one field. We do feel that this problem must exist within other groups, such as the Planning Board, Water Board, Health Department and others. We therefore submit the problem to you at this time for your consideration and study. It is quite apparent that steps must be taken in this field to provide some form of engineering service to the Town, similar in nature to the function of the Town Counsel or Town Accountant. One central agency to provide engineering service must be provided in the very near future. This central control would serve also as a coordinating body between the various groups, such as Highway, Tree, Health, Water, Drainage, Building, Assessors, and Selectmen who have need of engineering advice and planning in many functions of

their work. To try to accomplish this on a "piecemeal" basis is far from the most economical or practical method. Now is the time to give thought and study to the possible solution of this soon-to-be critical problem.

Construction done during the past year includes the following :

**High Street:** A two-basin system was installed on High Street in the vicinity of the Cole School, and an outlet line extended through the school grounds to Hatch Pond. This eliminates a dangerous icing condition at the school and will also prevent washouts of the school lawn. This was undertaken in conjunction with, and at the request of the School Committee.

**Mount Blue Street:** Two cross culverts were replaced. These were old, stone box type culverts that had partially collapsed and were beyond repair. This type of work has a high priority as immediate repairs to existing systems are more economical than possible major expense should road washouts occur.

**Tiffany Road:** The existing system, installed in 1961, was extended in an easterly direction along the southerly side of the street, and two additional basins installed. The system was extended westerly along the northerly side of the street and pipe was installed. An outcropping of ledge was encountered and work was halted due to a lack of sufficient funds to remove the ledge.

We feel that our annual goal of \$5,000 for drainage work is an amount that can be handled by our Highway Department, in addition to their many other highway duties. When it is pointed out that the average subdivision today is spending about \$50,000 for drainage work within a development, then surely our \$5,000 per annum can be considered modest when applied town-wide.

This committee wishes to express its thanks to the other boards and officials for the fine spirit of cooperation shown it, and particularly to the Town Hall staff whose fine work makes our part-time efforts possible.

RICHARD E. SPLAINE, Chairman  
E. ARNOLD JOSEPH  
W. CLAYPOOL BENNETT  
GERALD L. HATHORNE  
WILLIAM R. RITCHIE, Clerk

## REPORT OF THE SOUTH SHORE MOSQUITO CONTROL PROJECT

To the Citizens of Norwell:

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the Town for the year ending November 30, 1962.

The Town of Norwell appropriated \$3850 for mosquito control in 1962. Along with this \$150 was appropriated for salt marsh maintenance. This money was used for mosquito control in the Town by the South Shore Mosquito Control Project, a cooperative effort embracing the City of Quincy and Towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Norwell, Scituate and Weymouth. In addition the project worked under contract for the U. S. Naval Ammunition Depot for a period up to June 30th, ending our final contract before its deactivation.

### TYPE OF CONTROL PROGRAM

The basic program of control continued to be based on drainage in the off-season and larvaciding of all areas found to be breeding during the mosquito season. This program was supplemented by application of D.D.T. dust to selected areas during the period when the swamps were frozen. Fog generators and mist blowers were used to combat flying mosquitoes.

### ENCEPHALITIS

As a result of the dry weather and/or other factors not yet recognized, Eastern Equine Encephalomyelitis did not appear in humans in Massachusetts this past summer. However, since there is always a definite threat present during late summer and early fall, the period when Encephalitis is most likely to appear, the Project was in contact with the U. S. Public Health Service, Massachusetts Department of Public Health and other mosquito control agencies in a cooperative effort to recognize the danger signs so that work could be directed against the suspected species of mosquitoes.

### AERIAL DUSTIN AND/OR SPRAYING

The spring dusting or spraying of all fresh water swamps known to be breeders and too large to be treated by hand was done. D.D.T. was used at the rate of a half to one pound per acre keeping well within the realm of safety to humans and wildlife. One hundred acres were treated in the Town of Norwell.

## GROUND SPRAYING

The ground crews circulated on a schedule throughout their section. They varied from this circuit to treat in the vicinity of complaints, or to treat places found to be breeding by the superintendent or foremen's inspection. They then returned to their rounds.

## CATCHBASIN SPRAYING

Catchbasin spraying was done with a motorcycle service car, a compressed air sprayer mounted on the rear. Due to a reduction of summer personnel only one unit was operating this year. A dry summer enabled regular crews to treat basins in their assigned towns, thus enabling us to keep ahead of this type of breeding.

## DITCHING

Drainage, always considered the keystone of mosquito control, is more than ever important as a result of a growing concern by certain groups over the use and buildup of insecticides and other chemicals in our wildlife areas. Over the years the ditching done by this project has greatly reduced the areas that need spraying or dusting of insecticides. On fresh water, only areas capable of mosquito breeding are drained, shallow stagnant pools. On salt marshes we attempt to keep all ditches clear of grass and mud to allow tidal water a free flow in and out, also to eliminate all brackish sheet water at upper ends of marsh where salt marsh mosquitoes will breed.

The largest amount of mosquito control can be reached with a good drainage program. With this idea in mind, we have proceeded in all areas possible to ditch. In the Town of Norwell 1350 feet of ditches have been reclaimed.

## FOGGING

This past season the project has had in operation a Curtis Dyna Fog Insecticidal Fog Applicator. This machine emits a smoke containing small particles of insecticide. This smoke or fog drifts with air currents over the area, wiping out all mosquitoes and other flying insects present. This machine makes it possible to cover a large area and with insecticide particles being so small there is very little residue to build up in any one area.

## PLANS FOR WINTER

Throughout the months, between the past and coming mosquito breeding season, much attention will be given to ditching. Work on the salt marsh will be done in the fall and early spring, and the colder winter months will be spent in the more protected areas.

In addition, when snow and ice conditions are right, pre-hatch dusting by ground crews, as was done in the past year, will be applied. The success of the past work along these lines makes it feasible to continue the program. All areas that were hand-dusted were free of mosquito breeding in most cases until mid-July.

#### PLANS FOR NEXT YEAR

All phases of the work carried out in the past will continue, placing emphasis on drainage for permanent control and then, in this order: dusting for pre-hatch control, spraying for larval control, mist blowing and fogging for adult control.

#### PROBLEMS TO BE SOLVED

##### N. A. D.

Since 1957 the project has been under contract to the U. S. Navy to do all phases of mosquito control in their Ammunition Depot, Hingham and Cohasset Annex. In June of this year, the Navy decommissioned this reservation, leaving a large area in the center of the project with no control. At present it is uncertain as to what will be done with this area. If the land involved should revert back to their former towns, Cohasset, Hingham, Norwell, Scituate and Weymouth, it will be necessary to up the assessments of these towns for mosquito control as with our present budget we would be unable to handle it.

#### NEED FOR NEW DITCHING TRACTOR

The project operates two pieces of tractor equipment on its drainage operation, an OC-6 scavel plow used for cleaning out existing ditches and an OC-4 backhoe trencher for making new drainage work. They have both been in constant use, one since 1955, the other 1957.

On ordinary dry trenching operations these machines might last a few more years. However, on mosquito control ditching the machine is constantly in water, mainly salt water, year round. Consequently because of rust corrosion, along with wear, they have reached a point where they must be replaced in order to maintain what has been accomplished and to continue the phase of machine ditching.

It would not be necessary to replace both tractors, as one tractor so constructed could receive and operate both a scavel and backhoe trencher. This would necessitate the need for just one tractor as both these are usually being used on the same job.

## REPORT OF THE BUILDING INSPECTOR

Board of Selectmen  
Norwell, Massachusetts  
Gentlemen :

It is with pleasure that I submit the first annual report of the Norwell Building Inspector. Since this is the initial report, perhaps the duties should be restated here. The purpose of the inspector is to issue building applications and permits and inspect all building operations within the Town in order to enforce the laws and regulations relating to construction as specified in the Building Code.

We are fortunate to have a new Building Code which serves as a guide and source of reference for the proper methods, materials and practices for the construction trades. As the Town continues to grow and progress, this will aid in maintaining a high standard of quality in building, as well as protecting public safety and health.

Since we were starting fresh, it was necessary to set up new systems and establish rates and procedures. New permits and applications were devised to give more complete information applicable to new building operations.

A close liaison was developed, during this past year, with other Town Departments, whose work is allied to new building and construction, for a better understanding of the various problems involved.

The following is a summary of building permits issued during the year 1962 :

New Dwellings	58
Bank Buildings	1
Garden Apartments	2
Swimming Pools	3
Garages	16
Bomb Shelters	1
Alterations, Additions, and Out Buildings	40
TOTAL PERMITS ISSUED	121

All inspections were performed as required, after I took office July 20th.

I would like to express appreciation to the Board of Selectmen for this appointment and can sincerely say I have fully enjoyed the work, as my interest and livelihood is in the building field.

All town officials, boards, committees and builders have been most cooperative. A special vote of thanks to Mr. Harry Chase and Mrs. Emily Paradise for their valuable assistance.

Respectfully submitted,

CHARLES E. WHITE

Building Inspector

## REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Norwell:

After the March election the school committee organized as follows:

George H. Whitcher, Jr., Chairman  
 Fletcher S. Boig, Vice Chairman  
 Betty M. Cook, Clerk

The committee meets regularly on the second Wednesday of each month at the School Department Offices in the Junior High School. All meetings have been advertised in compliance with the Public Law 626 (so-called open meeting law). These meetings are generally attended by the press, advisory board members and a few interested citizens. Our elected committee, under a system of State Laws and Regulations, is in sole charge of the public schools of our town. It is a policy-making body with responsibility for supervision of the administration of these policies. We invite any interested citizen to attend our meetings.

Bids for materials, supplies, and/or services calling for expenditures of \$300.00 or more have been advertised for in sealed bids, which have been opened publicly at our regular meetings and the contracts awarded accordingly.

### BASEBALL BACKSTOP—JUNIOR HIGH SCHOOL

Bay State Fence Co., Quincy	\$975.00
Reliable Fence Co., Norwell	691.00
Awarded to: Reliable Fence Co.	

### FOOTBALL EQUIPMENT

Bids on 30 H612 MacGregor Football Helmets and 30 pairs of A618 MacGregor Football Shoes.

Awarded to Albert Culver, Rockland	

## MILK BIDS

H. P. Hood Company	\$ .0585 per 1/2 pt. carton
Whiting Milk Co.	.0593 per 1/2 pt. carton
Awarded to H. P. Hood Co.	

## OFFICE CONSTRUCTION—JUNIOR HIGH SCHOOL

LeRoy McKay, Norwell	\$1,791.32
W. E. Shaw	2,715.00
Awarded to: LeRoy McKay	

## FIRE ALARM SYSTEM—GRACE COLE SCHOOL

Sewell Electric Co., Norwell

\$390.00

Only bidder. Awarded to: Sewell Electric Co.

In June of this year Mrs. Ella Osborn retired as Principal of the Norwell Elementary School after fifty years of teaching and administrative duties. We all extend to her our thanks for her excellent service and wish her every happiness in her retirement.

Two elementary teachers, Mrs. Miriam Lincoln, with 17-1/2 years of teaching in our system, and Mrs. Hazel Johnson, with 15 years of teaching in our system, retired in June. We likewise extend our thanks to them for their devoted service and a hope for a happy retirement. Another teacher, Mrs. Laura McKenney, with 14 years of service in our system, moved to New Hampshire. We will miss her also, and wish her the very best in her new surroundings.

The most discouraging news to come before the committee this year was the formal answer from the State Board of Education, denying the dissolution of Union #13 Superintendency, consisting of Norwell, Hanover, and Hanson. The state feels that Norwell and Hanover are large enough towns to warrant a superintendent of their own, but that Hanson is not of defensible educational size. Hanson and Whitman are together in a regional high school. If the union were dissolved Hanson would be hiring a superintendent for only grades 1-8. The state does not want elementary superintendents, and it is their policy not to approve the forming of such units. The State has suggested as a plan of action to have Hanson and Whitman regionalize from grades 1-12. Neither Hanson nor Whitman wish to do this. We have had several meetings with legal advisors. Deputy Commissioner William Young, Mr. William Wallace, Legal Counsel for the State Board of Education, and have even made a personal appeal before the State Board of Education in Boston. We are still denied the dissolution to date.

The three towns must, therefore, abide by the laws presently existing. In July the towns elected Mr. Ralph Sturke to be the new Union #13 Superintendent. Actually the three towns will be operating under the direction of three associate superintendents, with Mr. Frederick A. Small administering the schools in Norwell, and Mr. Albert E. Kiernan administering the schools in Hanson. Mr. Sturke will have the dual responsibility of supervising the schools of Hanover and general responsibility in relation to the Department of Education.

The Union Committee has not given up hope and in November of this year they filed a special act in the Legislature to allow dissolution. We have solicited the help of our legislative representatives and we sincerely hope that this problem of dissolution can be solved through

these channels in the next few months.

At this time we would like to pay tribute to Mr. Clifton Bradley who retired as our Union Superintendent on September 15, 1962. He has done a faithful and efficient task, and we hope that he may have a long and happy retirement.

With Mr. Small's increased duties as associate superintendent of our schools, the committee voted to have Miss Elizabeth Farrar become Acting Principal of the Junior High School, as of September 1962. On January 1, 1963 she will become the full Principal of the Norwell Junior High School.

A new change has been incorporated in our elementary schools this year. Mr. William Hays is the principal of both the Grace Cole School and the Norwell Elementary School and is coordinating the curriculum of the two schools. Mrs. Grace Alvey is supervising the special help and remedial reading problems of both schools. These two are doing a superb job and are to be commended on their fine work. Mr. Hays has formulated an in-service training program for the elementary school teachers, meeting one day a month. There is a definite goal to this program to help the experienced teacher as well as the new teacher, to develop many new teaching skills.

Norwell High School is just starting its second year of operation. This building which embraces many modern features has proved to be one of the best in this area. Under the direction of Mr. Jackman and his staff the high school is beginning an evaluation of Norwell High School through the New England Association of Colleges and Secondary Schools. This evaluation will show our strong points as well as our weak ones, and will certainly give us every opportunity for praise, for improvement and for accrediting purposes. We wish to thank Mr. Jackman and his staff for the long after-school hours they have put into this effort, and for the vitality and interest shown in this important step for our high school.

The Permanent Building and Maintenance Committee has finished getting the high school athletic grounds completed this spring. Because of the late date and the late seeding of the grounds, it was necessary for us to postpone the beginning of a football program until the fall of 1963.

Athletic fields for all our schools, and especially at the high school, will continue to be a problem, both in the matter of space and maintenance. It is false economy to put money into the development of fields if they are not to be maintained properly. The committee is anxious to hear the report of a study being made by the town to determine if the town land areas and fields of this kind should be

maintained under one department. If it is not, it will be necessary for the committee each year to put into the budget more appropriations for the proper maintenance of these fields and grounds.

This committee, in close cooperation with the Planning Board and the Permanent Building and Maintenance Committee, is in the process of finding a site for our next elementary school. This school will be located in the Grove St. - Prospect St. area. Our school projection figures show that the pupil population is heavily concentrated in this area. Preliminary educational specifications will be forwarded to the Permanent Building and Maintenance Committee for their observation and study. It is the hope of the committee that favorable action can be taken on this school at the annual town meeting in March, so that the school can be completed by September 1964, or our space problem at the elementary level will be critical.

Legislation was passed this year to raise the minimum salary of teachers, as of January 1963, to \$4,500, and it was necessary for us to raise our minimum salary schedule. At this time it was decided to make an across the board raise of \$100 to all teachers in the system, effective January 1, 1963. The Teachers Club proposed a schedule to the committee, effective September 1, 1963. After careful consideration, it was voted:

1. A \$100 increase across the board for every qualified teacher, thus raising the minimum salary for the bachelor's degree to \$4,600.
2. The fifth increment to be \$400, automatically increasing the maximum to \$6,800 on the bachelor's level.
3. All teachers to go onto the step they belong immediately by eliminating the limitation.
4. A third sub-schedule for the Master's plus thirty semester hours.
5. Increase in steps in Masters and Masters plus thirty sub-schedules to twelve steps.

Teacher's salaries throughout the state have increased in general, and our new salary schedule must be realistic if we are to compete with surrounding towns.

Starting in January we will incorporate some Adult Academic Courses for Norwell citizens. This will be a self-supporting program with a small registration fee. Literature, language, and commercial courses will be offered. This is the first time our town has offered courses of this kind and it is hoped that many will take advantage of this opportunity.

Our committee has seen great improvement in our schools over the last year. We feel it is the direct result of the close contact and efficient manner in which Mr. Small, our associate superintendent, has asserted himself in taking over the job formerly done by Mr. Bradley. The orderly change from one man to another has been handled with the minimum of confusion, and we are grateful for Mr. Small's ability in handling this difficult assignment.

In closing we would like to say we wish Mrs. Nellie Sparrell, our former school committee member for so many years, the very best of health and happiness. She has been a help and a guide to so many of us in our task of performing our school committee responsibilities.

We also wish to thank Dr. William G. Vinal, a former member of our committee who retired in March, for his past services to this committee.

We thank all who have contributed to the interest and support of a successful year.

Respectfully submitted,

GEORGE H. WHITCHER, JR.,  
Chairman  
FLETCHER S. BOIG,  
Vice Chairman  
BETTY M. COOK, Clerk  
JOHN B. ARNOLD

**School Committee Regulations**

A child to enter Grade 1 must have been 5 years old before the previous January 1.

No child under 7 years of age will be admitted to school for the first time after October 1 of any year.

A child entering school for the first time is required to present to the teacher a birth certificate and vaccination, or exemption from vaccination certificate. Exemptions must be renewed every six months.

**Signal For No Sessions of School**

Signal 7:00 A.M. on the Fire Whistle ( One long whistle ).

"No School" signals will be broadcast from WBZ, WBET, WHDH and WEEI between 6:00 and 8:00 A.M.

Schools will close in extremely bad weather, but each parent must decide, depending on the conditions of distance, amount of waiting for the bus, protective clothing, etc., whether or not to send children in stormy weather when schools are in session.

**Work Certificates**

Work certificates are necessary only for persons under 18 years of age and are issued at the office of the Associate Superintendent of Schools and at the Senior High School. When possible, the school office should be used. A birth certificate or other legal proof of age

is required to be shown.

Work certificates for children 14-16 years of age for employment out of school hours are secured at the schools only or, during the summer, from the office of the Associate Superintendent of Schools.

February 18-22	Winter Recess
April 12	Good Friday
April 15-19	Spring Recess
May 30	Memorial Day
June 21	All Schools Close

## REPORT OF THE ASSOCIATE SUPERINTENDENT OF SCHOOLS

To the Norwell School Committee :

Herewith is submitted my first annual report as Associate Superintendent of Schools for the Town of Norwell.

The public schools of the Town continue to offer an excellent program of education to its young citizens. This fact of excellence is a result of the efforts of many people; the teachers who in daily contact with classes motivate and implement the learning process, administrators who plan and schedule and supervise the teaching-learning activities, staff specialists who increase the scope of educational offerings, and the citizens who make the total program possible with their moral and financial support.

Elementary education is engaged in a continuing program of up-dating and improving curricular offerings at that level. Examination, evaluation, and revision of courses of study have been, and continue to be, projects in which teachers and administrators are constantly engaged. "After-school" sessions late in the afternoon are devoted to in-service activities directed in purpose toward the

improvement of instruction. Demonstration lessons are taught by various teachers in a simulated classroom environment, following which all teachers in attendance share in a review of the experience and mutually benefit from a free exchange of philosophies, ideas, methods, and techniques. Mr. William Hays, Principal of both the Cole and Norwell Elementary Schools, has continued and expanded the sound and progressive administrative practices initiated by Mrs. Perry Osborn who retired from the Elementary Principalship at the conclusion of the past school year.

The Norwell Junior High School, in these important, transitional years, has placed emphasis upon the improvement of study habits, the correlation of English with other subject matter, and the introduction of a complete program in developmental reading. Miss Elizabeth Farrar, Principal, and a fine staff of teachers have engaged cooperatively and successfully in bridging the gap between elementary and senior high school routine. The pupil at this level is encouraged to take upon himself more individual responsibility and, with guidance, discover the ways and means to develop as a young adult in terms of his capacity and potential, shaping himself to standards and directing himself toward goals now more sharply and objectively defined.

The Senior High School educates its young people either to continue in a post-secondary school learning experience or to enter directly into the world of work. The pupils who elect to enter the college or university phase of existence find that they are adequately prepared to compete successfully with their fellows from other secondary schools. Industry and business seek the Norwell graduate who chooses, upon graduation from high school, to direct his attention to the matter of earning a living. Competent faculty members with the capable administrative counsel of Principal Robert Jackman have collectively and cooperatively revised, extended, and enriched subject-matter areas the better to cope with the challenges of an exacting and demanding mid-twentieth century.

The School Department extends its services to the adults of the community by offering a continuing program in Evening Practical Arts. This year, for the first time, also, classes for adults are scheduled in certain academic areas, namely, Typing, Bookkeeping, Comparative Literature, Conversational French, and ABC's of Investing. Class sessions in this latter category will meet beginning in January, 1963.

The Guidance Department directs a system-wide testing program which is complete and comprehensive in nature. It is gratifying to note that test scores indicate Norwell pupils generally superior in terms of ability and achievement on the basis of national norms.

The pupil population of Norwell becomes greater in total numbers each year. Fortunately, to this point, the growth has not been explosive. The quality of gradualness in growth does not deny, however, the "expense of expansion".

In 1952, ten years ago, the pupil population of the Town was 614 in numbers. The school budget for that year asked for \$125,000 for the operation of the school system. In 1962 there were 1414 pupils enrolled in all schools and an operating budget of nearly \$600,000 was necessary to defray the expense of education. By 1972, ten years hence, some 2200 pupils will be enrolled in grades one through twelve and, based on current per-pupil cost per annum, an annual budget for the support of public instruction at or in excess of \$1,000,000 is not an impossibility.

It does appear to your Associate Superintendent that real estate, in all communities now taxed beyond the realm of reason to support the various functions of town government, cannot much longer hold against the demands made upon it. It is hoped that the Legislature of the Commonwealth will, in a sincere and non-political effort, direct its attention to an examination and major revision of the entire tax structure.

It is noted that the State Financial Report for the Norwell School Department filed with the Commonwealth July 24, 1962, indicated a return to the Town of Norwell of \$96,692.75 in state aid and reimbursement. Additionally there are Public Law and special fund returns to the Town which, with the above money, total to an aggregate in excess of \$125,000 paid within a year to the Town ultimately to assist in meeting the total cost of town government in its various departments.

More pupils in our School System not only indicate an increase in the cost of operating the several existing school buildings, but also necessitate the construction of more buildings. The Town has recently approved the construction of one new elementary school building. It is recommended that at least two more parcels of land, one in the northeastern portion of the Town and one in the southern section, be purchased and held ready for school construction at some future time—this procedure to guard against rising costs in reference to land purchase and to insure proper school-site availability.

Over one hundred adults are intimately and directly concerned with the welfare and daily function of the schools of Norwell. That each person performs his duties in competent and professional manner is more than apparent from the status of the School System as a whole. The combined efforts of staff and administration joined

with the enthusiastic and constant support of the citizenry make for an educational environment conducive to the best results with the youth of Norwell.

Your Associate Superintendent is grateful to the many who have contributed in such large measure to the success of the year.

Respectfully submitted,

FREDERICK A. SMALL,  
Associate Superintendent of Schools

## REPORT OF THE HIGH SCHOOL PRINCIPAL

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

I hereby submit my annual report as principal of Norwell High School.

First, I wish to express to you, to the School Committee, to the staff of Norwell High School, to the students and, to the parents, my most sincere appreciation for the cooperation I have received since I have been principal of Norwell High School.

We have recently completed our first full year in the new high-school building. The building proved to be an easy one to "break in" during this "shake-down" year. We experienced very few difficulties from the building in terms of heating, etc., and consequently we were not forced to close school at any time because of any failure on the part of the facilities. Throughout the year the architect has been granted permission to conduct building committees and school committees from other towns through our facilities. We have found the building to be an easy one in which to operate administratively. The staff and students have shown by their attitude and care that they are most proud of our new facilities.

The Modern Foreign Language Laboratory was basically completed this summer when fourteen additional student positions were added to the original fourteen provided with the building. There are now twenty-eight student positions in the laboratory. Fourteen of the positions are equipped with tape recorders and fourteen are equipped with analyzers. Next year ( 1963 ) we plan to add another program source, another tape recorder at the teacher's console. This

additional program source will enable us to send four different programs to various combinations of the twenty-eight student positions. The previously mentioned positions were added with money from the school budget, with 50% of the cost being returned to the school through the National Defense Education Act.

The Science Department has also added additional equipment during the year. An overhead projector was purchased through funds made available by the Permanent Building Committee. Equipment for experiments using the Physical Science Study Committee approach to physics was included in the school budget. Biology is being modernized more each year, with the purchase of microscopes and other equipment. There are twenty-four student positions in the biology laboratory and we now have a microscope available for every two students. 50% of the cost of the equipment in the area is also being returned to the school through the National Defense Education Act.

I would say one of our greatest needs is the addition of more volumes to our high-school library. Since the new school opened we have had available \$3,630.00 for the purchase of books and periodicals for the library. The Permanent Building Committee furnished \$2,762.00, the school budget \$380.00, the Junior High-Senior High P.T.A. \$250.00, and the Enid Taylor Fund \$238.00. This year we have budgeted \$1,000.00 for the purchase of books and periodicals for the high-school library. We do not believe this request to be unrealistic as we need many more volumes than this amount will provide to bring our library up to acceptable standards. The students and faculty are using the resources of the library to a greater advantage each day. Our students are reading more books this year than they read last year. With this use of the library, the need for more volumes becomes increasingly apparent.

Several changes have been made in the Program of Studies of Norwell High School. The prerequisites for several of the more specialized courses have been broadened. The graduation and promotion policies were revised to include:

1. A total of 85 credits for graduation beginning with the Class of 1964. (Members of the Class of 1963 will need 80 credits)
2. Each student, starting with the Class of 1966, must take and complete satisfactorily eleven (11) required major subjects; 4 years of English, 3 years of Social Science (Civics, U.S. History, and one other course in the field of Social Science), 2 years of mathematics, and 2 years of science. These required subjects will insure each student a well-balanced liberal education.

There have been revisions in some of the subject areas. This fall, German I students were introduced to the language using the oral-aural approach instead of the traditional textbook method. The "new" approach to mathematics was started in the top groups of Algebra I, Geometry, and Algebra II. The Civics course now emphasizes the study of town, county, state, and federal government. The study of government in the ninth grade means that the curriculum of the Problems of Democracy course will have to be changed in three years.

As our enrollment in each subject area has increased we have been able to group the students on a more homogeneous basis. This method of grouping presents a section of similar academic development which enables the teacher to present material of meaning to all members. The effect is that students receive material best designed to challenge them, and the teacher may adjust the material to meet the ability level of each section. This grouping is only done for academic classes and does not carry over into the home-room or non-academic classes. Flexible scheduling permits placing a student in a fast moving section in a subject which is, for him, an obvious strength and yet he may remain in regular or slower sections in other subjects according to his individual needs. Grouping is based on test scores, past achievement, and teacher recommendations.

The staff has been working throughout the year on our self-evaluation of Norwell High School. This self-evaluation is in preparation for the evaluation of Norwell High School by a visiting committee from the New England Association of Colleges and Secondary Schools on March 18, 19, 20 and 21, 1963. (A more detailed explanation of the evaluation may be found in the 1961 Principal's Report.) The teachers have spent many hours preparing materials and then discussing these materials in faculty meetings after school. During the fall the teachers were averaging at least one meeting a week on self-evaluation materials. At this time the bulk of the self-evaluation is completed and we hope to finish the reports in January, 1963. While this work has been very time consuming in addition to a regular teaching day, the staff as a whole is agreed that they have gained considerable knowledge from the self-evaluation.

Respectfully submitted,

ROBERT H. JACKMAN,

Principal

## REPORT OF THE JUNIOR HIGH PRINCIPAL

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

As he moves through adolescence, on the road to maturity, a boy or girl has many difficulties to surmount. On this journey the junior high school faculty, by understanding the problems and by organizing teaching and learning activities, may be of great assistance. In an effort to meet this challenge plus the demands of higher education in our scientific world and to stimulate individual learning, we are stressing the following:

In place of traditional mathematics which educators find has not equipped the student to grasp clearly the fundamental concepts, a new mathematics has been created. This modern method provides a more meaningful way of developing basic understanding. Two of our junior high teachers last year took special courses in the instruction of this science and are passing that information on to grades 7A and 8A. Currently teachers of grades four through six are taking the course sponsored by Northeastern University. As a result of this training and by integration with the elementary and the senior high programs, we hope to build a modern mathematics course of study which will result in increased benefit to all students.

We are adding a developmental reading program. This system, edited by Science Research Associates, is based on the concept of individual differences and aims for top performance by the individual student. It enables each pupil, whatever his present achievement, to reach new and higher goals of reading performance. We believe, too, that this program will improve spelling, vocabulary, and other work-attack skills as well as serve as an incentive to further and better independent reading and study efficiency.

English teachers of grades seven and eight are working on a new course of study which will be correlated with one already prepared by the elementary school teachers and a course now being prepared by the high school English teachers. This should be conducive to a sound and practical preparation in English from grades one through twelve.

Progress is continuing in the development of our junior high li-

brary. Mrs. Ralph Wamsley, as representative of the P.T.A., has aided the school librarian by her numerous fund-raising projects. Consequently, our library has an additional number of excellent volumes.

Much emphasis has been placed on study habits and the quality of written work. In both areas progress is being noted.

Under the stimulus of Professor William G. Vinal, one eighth grade is presently writing a class book entitled "The North River Area and the History of Norwell." Enthusiasm is high. The project provides an incentive for study in English, geography, history and geology, and increases civic pride.

An increase has been made in the number of parent-teacher conferences. Our associate superintendent has adopted a policy of terminating classes at noon three times annually making possible longer discussion periods. Evening conferences are continuing in conjunction with the P.T.A. By appointment, members of the faculty are available for consultation at the close of school each day. This plan, in addition to our warning system, has developed between home and school close contact which is so valuable to the child and his progress.

A combined effort by superintendent, faculty and all other personnel has made this year most profitable as well as pleasant. To each of these co-workers, I wish to express deep gratitude.

Respectfully submitted,

ELIZABETH M. FARRAR

Principal

## REPORT OF THE PRINCIPAL OF THE ELEMENTARY SCHOOL

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

It is my pleasure to submit the annual report of the principal of the Norwell Elementary School.

Our school enrollment has been increased this year by 11 pupils. The school year 1961-1962 was completed in June with an enrollment of 379 pupils. At this date, December 17, 1962, we have an enrollment of 390 students. The breakdown by grades is as follows:

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
72	84	83	76	75

Since last June, there have been many changes in personnel in the Norwell Elementary School.

Following 51 years of devoted service to children, Mrs. Ella F. Osborn, Principal of the Norwell Elementary School since 1952, retired in June of the 1961-1962 school year. Mrs. Osborn spent 48 of her 51 years in education in the town of Norwell and will long be remembered by her friends and pupils.

Because of retirements, the school was faced with filling the positions of 3 excellent teachers, Mrs. Marion Cann, Mrs. Miriam Lincoln and Mrs. Hazel Johnson. Mrs. Laura G. McKenney a grade one teacher in Norwell since 1948, left to accept a similar position in Rindge, New Hampshire. Also leaving in June were Mrs. Maude Horne, Mrs. Jean Quinn, and Mrs. Dorothy Morrison.

Teachers new to the elementary school this year are Mrs. Dorothy Bryant, grade one; Miss Phyllis Trowbridge, grade two; Miss Jeanne Seigny and Miss Nancy Peters, grade three; Mrs. Gertrude O'Neal and Miss Mary Edney, grade four; Miss Renate Sides and Mr. Charles Hurd, grade five; Mrs. Grace Alvey, remedial; Mrs. Nancy White, physical education.

During the latter part of May and the first part of June, a program of orientation for prospective first graders was carried on.

Each child who would be entering in September was given a morning at school. Mrs. Horne, remedial teacher, took the children in assigned groups of ten or twelve on a tour of the building, gave each a readiness test, and concluded with lunch in the cafeteria, showing the children our lunchroom procedure. A readiness evaluation including remarks about the child's physical, mental and social characteristics was made out by the remedial teacher for each child. This evaluation plus the readiness scores enabled us to obtain a better idea of each child's abilities and weaknesses, thus giving the classroom teacher some foresight as to what to expect in September.

In September of this school year, all grades were organized semi-homogeneously. On the basis of teacher judgment and achievement test scores pupils were assigned their classrooms for the next year. Each grade level has one advanced group and two average groups.

In grades four and five, grouping has been carried one step further through departmentalized reading. Reading in these grades has been divided into six levels. Children are assigned to one of these levels, with little regard to their grade, on the basis of past reading achievement. It is necessary, because of this organization, that many pupils pass to another room and have another teacher for their reading. Reading in grades four and five is held each morning from 9:15 until 10:15.

All children reading below their grade level are receiving remedial attention in an attempt to increase their achievement. In order that these children may receive greater individual teacher help, their reading classes have been kept small in number in relation to other groups.

In our top reading levels, literature has been added to the program along with reading laboratories which permit each child to progress at his own speed, on his own initiative, with guidance from the teacher.

A formal homework program has been initiated this year in grades four and five. Monday through Thursday of each school week pupils are to bring home for completion a one half hour assignment per evening in arithmetic, science, social studies or language arts. Our purpose in establishing this program is to develop responsibility, organization of time, and personal initiative in preparation for life and future academic endeavors.

During the past year the teachers of both elementary schools have combined their efforts in the development of a curriculum guide for language. We are continuing this work so that in the

near future we shall have our own guides in each academic area. In-service programs for teachers have been held in phonics, spelling, music and handwriting.

Parents took advantage of open house held during National Education Week, November 12 through 16. The school library was greatly aided through the cooperation of parents in their support of the book fair held in conjunction with open house.

It is with deepest gratitude and appreciation that we acknowledge the support and understanding given over the past years by our retired superintendent, Mr. Clifton E. Bradley.

In our endeavor to promote and foster "good education" in the town of Norwell, we are forever mindful that this goal cannot be achieved or maintained without the combined efforts of many groups and individuals. To all those who have been instrumental in this regard, we are most grateful.

Respectfully submitted,

WILLIAM W. HAYS,

Principal

## REPORT OF THE PRINCIPAL OF THE GRACE FARRAR COLE SCHOOL

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

I submit herewith the annual report of the Principal of the Grace Farrar Cole School.

The school year 1961-62 was completed with an enrollment of 347 children. At the writing of this report the enrollment at Grace Farrar Cole School is 349. Although we have an increased enrollment of but two pupils, we now have one fifth grade classroom instead of the two fifth grades of the previous school year. Come September of 1963, it will be necessary to find quarters for an additional fourth grade. The distribution of pupils in the Grace Farrar Cole School on December 18, 1962, is as follows:

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5
91	82	82	59	35

Since June of this year there have been three new teachers filling positions on the Cole School staff. Miss Geraldine Gustafson, a graduate of Boston State College, is teaching grade one. Mrs. Andrea Crew, an Eastern Nazarene College graduate, has a grade two classroom. Miss Mary Scott, from Bridgewater State College, is teaching in grade three. In our physical education department, Mrs. Nancy White, a graduate of Bouve-Boston School of Physical Education, is handling the work in the elementary schools.

Since it is our goal to provide the best possible education for each individual, consideration must be given to differences in learning rates and learning capacities. Because we feel these differences can better be met through grouping, organization of pupils at Grace Farrar Cole School continues to be on a semi-homogeneous basis with departmentalized reading in grades four and five.

Students in grades four and five who have achieved to a specified level in reading are taking part in an enrichment program, standards for which have been set quite high. Although this program is demanding of pupils, they seem to enjoy the opportunity to progress beyond the boundaries of their grade level and utilize materials which are both interesting and challenging to them. Besides the requirements of the basic reading program these children are responsible for the following :

- I. Literature
  - A. Comprehension reviews
  - B. Speed checks
  - C. Interpretation of stories
- II. Science Research Associates Reading Laboratory — An individualized reading program to develop greater comprehension.
- III. Homework assignments above that given by the homeroom teacher.
- IV. Active and intelligent class participation and evaluation of their own work and that of their classmates.
- V. A specified number of book reports per month.

At the present time all fourth and fifth graders are working in Science Research Associates Reading Laboratories in conjunction with their regular reading program. These laboratories offer the opportunity to individualize the teaching of reading in the classroom. They allow each child to start at the reading level where he will experience the most success — then move to a more advanced level after he has mastered the preceding one.

In grade one this year we have supplemented our regular reading program by the addition of another program, "Phonetic Keys to Reading." This method begins with the vowels instead of the consonants. It first teaches the long sounds of the vowels, then the short ones; next come the consonant sounds and phonetic principles. The initial approach combines sound and sight and might be termed an audio-visual one. Although originally this method appeared to be slower in its results, progress seems to be increasingly visible in the area of word attack skills.

Teachers of both elementary schools have cooperated in the development of a curriculum guide in the language arts area. Other academic areas are in, or will be in process of investigation.

Monthly in-service programs for teachers have been carried out in the areas of phonics, spelling, music, and handwriting.

We are grateful to the parents for their support of the book fair held during National Education Week, November 13 through 16, and for their cooperation during open house.

This present school year has presented us with two sorrowful and regrettable experiences. We are extremely happy that Mrs. Helen Dimock will return to us following her recovery from a recent heart ailment. At the same time we are saddened by the death of Mrs. Jennie Meyers, an excellent teacher and friend to all who knew her.

To our retired superintendent, Mr. Clifton E. Bradley, we are most grateful and appreciative for his cooperation, guidance, and leadership while superintendent of schools. We wish him well in his future endeavors.

For the cooperation and assistance received from many groups and from many individuals this past year, we are extremely thankful. We shall never settle for "last year's education," but continually seek an ever-improving educational program.

Respectively submitted,

WILLIAM W. HAYS,

Principal

**REPORT OF THE SCHOOL PHYSICIAN**

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

The school physician's report for 1962 is submitted herewith.

Physical examinations preliminary to athletic participations were completed in the high school within the first week of the fall term. The school nurses and Physical Education directors were present and assisted in the evaluations. Almost all students qualified for full physical education programs. Exceptions were referred to parents for consultations with their family doctors.

Examinations in the Junior High School were completed later in September.

The first and fourth grades in both Elementary schools have also been examined and records initialed or brought up to date.

Annual hearing and vision screening tests are proving helpful to both health and scholarship.

Health, Hygiene and attendance have been good.

The sanitation of the new building is excellent. Athletic fields continue to be inadequate.

The Board of Health always collaborates nicely with regular immunization programs and is effectively alert to new innovations recommended by the state.

I wish to express my appreciation to all personnel who make our health program effective.

Respectfully submitted,

RAYMOND G. VINAL, M.D.  
School Physician

## REPORT OF THE SCHOOL NURSE

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

The following is the annual report of the School Nurse:

Daily visits to all schools.

Periodic sanitary inspections in all schools.

Assisted School Physician with physical examinations of pupils.

Reportable defects	95
--------------------	----

Defects corrected	67
-------------------	----

Pupils given first aid	211
------------------------	-----

Pupils transported to their homes	131
-----------------------------------	-----

Visits to homes of school children	163
------------------------------------	-----

Grades I through XII eyes tested with Massachusetts Vision Test.

Grades I through XII ears tested with Audiometer.

534 pupils given Triple Toxoid Booster.

1389 pupils given Types I & III Sabin Vaccine.

Respectfully submitted,

CATHERINE A. ROE,  
School Nurse

## REPORT OF THE CAFETERIA SUPERVISOR

Mr. Frederick A. Small  
Associate Superintendent of Schools  
Norwell, Massachusetts

Dear Mr. Small:

In making my report for the past year, I would like to commend the cafeteria workers in each of the four schools in Norwell for the efficient and pleasant manner in which they have performed their duties. During this period they have served over 150,000 meals to students alone.

Great emphasis is being placed on physical fitness. To be physically fit you must eat the right foods in the right amount. Many of our diets may be lacking in vitamin content and yet be too high in caloric content. However, in a careful evaluation of the School Lunch Program, it has been determined that the children who eat the lunch are provided with an average of one-third of all the food nutrients necessary for that day. The school lunch is able to offer this economy meal because the program is subsidized by the State and Federal government. Originally the National School Lunch Act was passed as a measure of national security to safeguard the health and well-being of the nation's children and to encourage the domestic consumption of nutritious agricultural commodities and other food.

In October of this year President Kennedy proclaimed the first National School Lunch Week, and henceforth schools and communities will join in observing this most important week. We will look for your increasing support.

The cooperation we receive from the superintendent, school committee, principals and teachers is greatly appreciated.

Respectfully submitted,

HAZEL W. ROBBINS,  
Cafeteria Supervisor

# SOUTH SHORE REGIONAL SCHOOL DISTRICT TREASURER'S REPORT

In accordance with Section XII of the South Shore Regional School District Agreement signed January 6, 1960, I submit herewith details of the 1962 financial transactions of the School District.

Details are presented with respect to the 1962 estimated expenditures; apportionment of estimated expenditures to member towns; actual cash receipts and disbursements; balance sheet and statement of outstanding debt as of December 31, 1962.

Respectfully submitted,

JOHN A. ASHTON,

Treasurer

## 1962 BUDGET
